Safety Information

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always secure the cabinet to the wall using the anti-tipping hardware provided. This prevents accidental tipping, especially in households with children or pets.
- Be cautious of pinch points during assembly. Keep hands and fingers clear of moving parts.
- Follow the assembly instructions carefully and use appropriate tools. Do not overtighten screws.
- Keep the area around the cabinet clear of flammable materials.
- Do not exceed the maximum weight capacities for the counter space, shelves, and drawers.

ASSEMBLY INSTRUCTIONS

This HOSTACK sideboard requires assembly. Please follow the detailed instructions provided in the packaging. Ensure all parts are present before beginning assembly.

- Unpack and Identify Parts:** Carefully unpack all components and hardware. Lay them out on a clean, soft surface to prevent scratches. Verify that all numbered parts and hardware pieces are accounted for against the parts list in your package.
- Prepare the Assembly Area:** Choose a spacious, well-lit area for assembly. It is recommended to have a second person assist with assembly for stability and ease.
- Follow Step-by-Step Guide:** Refer to the included instruction manual for a step-by-step assembly guide. Each step will illustrate which parts and hardware to use.
- Attach Anti-Tipping Hardware:** Once assembled, it is crucial to attach the anti-tipping hardware to the wall as instructed. This prevents the unit from falling over.

5. **Tighten Fasteners:** Ensure all screws and fasteners are securely tightened, but do not overtighten to avoid damaging the wood.

Note: Assembly typically takes several hours. Patience and careful adherence to instructions will ensure a successful build.

OPERATING AND USAGE

The HOSTACK 60" Large Buffet Sideboard is designed for versatile storage and display in various rooms.

Storage Features:

- **Spacious Countertop:** The 60-inch wide countertop provides ample space for displaying decor, serving food, or housing small appliances like coffee makers, toasters, or microwaves.
- **Four Easy-Glide Drawers:** Utilize the four drawers for organized storage of smaller items such as cutlery, linens, or office supplies.
- **Four Concealed Cupboards with Shelves:** Each of the four cabinet doors opens to reveal internal storage with fixed shelves, ideal for larger items like dishes, pots, pans, books, or other household essentials.

Recommended Placement:

This versatile cabinet is suitable for various rooms, including:

- **Dining Room:** As a buffet or serving station.
- **Kitchen:** For additional storage of kitchenware or as a coffee bar.
- **Living Room:** As an accent cabinet, media console, or display unit.
- **Entryway/Hallway:** For organizing household items and displaying decorative pieces.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your sideboard.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. Dry immediately with a clean cloth.
- **Spills:** Clean up spills immediately to prevent staining or water damage.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads. Protect from excessive moisture and direct sunlight.
- **Hardware:** Periodically check and tighten all hardware to ensure stability.
- **Moving:** When moving the cabinet, lift it rather than dragging to prevent damage to the base and floor.

TROUBLESHOOTING

If you encounter any issues with your HOSTACK sideboard, refer to the following common solutions:

- **Chemical Odor:** A new furniture item may have a slight chemical odor upon unpacking. This is typically due to manufacturing processes and usually dissipates over time. Ensure good ventilation in the room by opening windows and doors. The odor should diminish within a few days to a week.
- **Doors Not Closing Properly:**
 - Check if the cabinet is level. Uneven surfaces can cause doors to misalign. Adjust the feet or place shims if necessary.
 - Inspect the hinges for proper installation and tightness. Adjust hinges if they are loose or misaligned.
 - Ensure the magnetic latches (if applicable) are correctly positioned and securely attached to both the door and the cabinet frame.
- **Drawers Sticking or Not Sliding Smoothly:**
 - Verify that the drawer slides are installed correctly and are free of obstructions.
 - Check for any loose screws on the drawer slides or the drawer box itself.
 - Ensure the drawer is not overloaded, exceeding its weight capacity.

- **Wobbling or Instability:**

- Confirm that all assembly hardware is securely tightened.
- Ensure the cabinet is placed on a flat, level surface.
- Verify that the anti-tipping hardware is correctly installed and anchored to the wall.

CUSTOMER SUPPORT

If you require further assistance, have missing parts, or encounter issues not covered in this manual, please contact HOSTACK customer support. Refer to your purchase documentation for contact details or visit the official HOSTACK website.

Protection Plans: Extended protection plans are available for this product. Please refer to your retailer for details on 2-Year and 3-Year protection plans, as well as Complete Protect options.
