Devoko Dressing Table with Mirror, LED Lights, and Power Outlet

USER MANUAL

Introduction

Thank you for choosing the Devoko Dressing Table. This modern makeup desk is designed to enhance your daily routine with its functional features, including adjustable LED lights, convenient power outlets, and extensive storage. This manual provides essential information for safe assembly, operation, and maintenance of your new dressing table. Please read it thoroughly before use and retain it for future reference.

Important Safety Information

To ensure safe operation and prevent damage, please adhere to the following guidelines:

- Always follow the assembly instructions carefully.
- Keep electrical components away from water and never insert objects into the power outlets or LED lights.
- Always unplug the product before cleaning or performing any maintenance.
- Do not overload the power outlets.
- Ensure the dressing table is placed on a stable, level surface to prevent tipping.
- Keep small parts and packaging materials away from children to prevent choking hazards.

Package Contents

Your Devoko Dressing Table is shipped in two separate packages. Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

Setup and Assembly

Assembly of the Devoko Dressing Table is required. Please follow the detailed instructions provided in the separate assembly manual included with your package. It is recommended to have at least two people for assembly to ensure stability and ease of construction.

1. Unpack all components and verify against the parts list in the assembly manual.
2. Identify each part, as they are typically numbered or labeled.
3. Assemble the main frame of the table first, ensuring all connections are secure.
4. Install the drawers and shelves according to the instructions.
5. Mount the mirror unit with LED lights and connect the power supply.
6. Attach the power outlet unit and hair dryer holder.

Storage Utilization

Organize your beauty essentials efficiently using the various storage options.

- **Open Shelves:** Use the 6 open top compartments for frequently accessed items like perfumes, lotions, and decorative cosmetics.
- **Drawers:** The 7 spacious drawers provide ample space for larger items, makeup palettes, brushes, and other accessories, keeping your desktop clutter-free.

Maintenance

Proper care will extend the life and maintain the appearance of your dressing table.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.

- **Electrical Components:** Ensure the unit is unplugged before cleaning around the power outlets or LED lights. Do not spray liquids directly onto electrical parts.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, clean any dust or debris.

Troubleshooting

If you encounter issues with your Devoko Dressing Table, please refer to the following common solutions:

Problem	Possible Cause	Solution
LED Lights not turning on.	Not plugged in; loose connection; faulty bulb; power outage.	Ensure the power cord is securely plugged into a working wall outlet. Check all connections to the LED strip. If individual bulbs are replaceable, check them. Verify power to the outlet.
Lights not changing color or brightness.	Remote control issue; internal wiring.	Ensure the remote control is functioning correctly. Re-check the connection of the LED light system.
Power outlets not working.	Not plugged in; circuit breaker tripped; faulty outlet unit.	Confirm the main power cord is plugged in. Check your household circuit breaker. Avoid overloading the outlets.
Drawers are stiff or not closing properly.	Improper assembly; debris in slides; overloaded drawer.	Review assembly instructions for correct drawer slide installation. Clear any obstructions from the drawer slides. Reduce the weight in the drawer.
Table feels unstable.	Loose connections; uneven floor.	Tighten all assembly screws and fasteners. Ensure the table is on a flat, level surface.

If the problem persists after attempting these solutions, please contact Devoko customer support for further assistance.
