

## T10 ULTRA 2

# Generic T10 ULTRA 2 Smart Watch User Manual

Model: T10 ULTRA 2

## 1. INTRODUCTION

---

This manual provides essential instructions for the setup, operation, and maintenance of your Generic T10 ULTRA 2 Smart Watch. Please read this manual thoroughly before using the device to ensure proper functionality and to maximize your user experience.

This image displays the T10 ULTRA 2 Smart Watch. It features a silver-colored case, a large rectangular display showing a colorful digital clock (02:39), and an off-white wavy rubber strap. A digital crown and a side button are visible on the right side of the watch case.

## 2. SETUP

### 2.1 Package Contents

Verify that all items are present in the package:

- T10 ULTRA 2 Smart Watch
- Wireless Charging Cable
- User Manual (this document)

### 2.2 Charging the Device

Before first use, fully charge your smartwatch. The T10 ULTRA 2 supports wireless charging.

1. Connect the wireless charging cable to a compatible USB power adapter (not included).
2. Place the back of the smartwatch onto the wireless charging pad. Ensure the watch is correctly aligned for charging to begin.
3. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

The device is powered by a Lithium-ion Polymer Battery.

## 2.3 Powering On/Off

- **Power On:** Press and hold the side button until the screen illuminates.
- **Power Off:** Press and hold the side button, then select the "Power Off" option on the screen.

## 2.4 Pairing with Your Smartphone

The T10 ULTRA 2 Smart Watch is compatible with both iOS and Android devices via Bluetooth connectivity.

1. Ensure your smartwatch is powered on and sufficiently charged.
2. Enable Bluetooth on your smartphone.
3. Download and install the companion application for your smartwatch (refer to the packaging or quick start guide for app name).
4. Open the application on your smartphone and follow the on-screen instructions to search for and pair with your T10 ULTRA 2 Smart Watch.
5. Confirm the pairing request on both your smartphone and the smartwatch.

# 3. OPERATING INSTRUCTIONS

## 3.1 Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and features. Tap to select.
- **Side Button:** Typically used to return to the home screen, access the app menu, or power on/off.
- **Digital Crown:** Rotate to scroll through lists or zoom in/out. Press to return to the home screen or open the app list.

## 3.2 Communication Features

- **Making and Answering Calls:** The smartwatch allows you to make and answer calls directly when connected to your smartphone via Bluetooth. Access the dialer or call log from the watch interface.
- **Notifications:** Receive Bluetooth push notifications for calls, SMS, Email, Facebook, WhatsApp, WeChat, and other applications directly on your watch display.

## 3.3 Health Monitoring

The T10 ULTRA 2 Smart Watch monitors various health metrics:

- **Heart Rate:** Continuous or on-demand heart rate measurement.
- **ECG:** Electrocardiogram readings.
- **Blood Pressure/Oxygen:** Estimates of blood pressure and blood oxygen levels.
- **Sleep Monitoring:** Tracks sleep patterns and quality.

*Note: This device is not a medical instrument. Health data is for reference only and should not be used for medical diagnosis or treatment.*

## 3.4 Activity Tracking

Track your daily activities and workouts:

- **Daily Activity:** Calculates steps, calories burned, and distance traveled.
- **Sports Modes:** Includes modes for running, cycling, sit-ups, mountaineering, and other sports. Select the appropriate mode before starting an activity for accurate tracking.

## 3.5 Additional Features

- **Stopwatch:** For timing events.
- **Music Control:** Control music playback on your connected smartphone.
- **Vibration Support:** Provides haptic feedback for notifications and alerts.
- **NFC:** Near Field Communication functionality (specific uses may vary by region and app).
- **Password:** Set a password for enhanced device security.
- **Health Positioning:** May refer to location-based health features or emergency contacts (refer to app for details).

# 4. MAINTENANCE

---

## 4.1 Cleaning Your Smart Watch

Regularly clean your smartwatch to maintain its appearance and functionality:

- Wipe the screen and case with a soft, lint-free cloth.
- For stubborn dirt, slightly dampen the cloth with water. Avoid harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry.

## 4.2 Water Resistance (IP68)

The T10 ULTRA 2 Smart Watch is rated IP68 water-resistant. This means it is protected against dust ingress and can withstand immersion in water up to 1.5 meters for up to 30 minutes.

- It is suitable for daily use and can withstand splashes, rain, and brief immersion.
- Do not use the watch for swimming, diving, or in hot water (e.g., hot showers, saunas) as steam and high temperatures can compromise the seals.
- Ensure the watch is dry before charging.

## 4.3 Battery Care

- Avoid fully discharging the battery frequently.
- Store the watch in a cool, dry place if not used for extended periods.
- Use only the provided wireless charging cable.

# 5. TROUBLESHOOTING

---

If you encounter issues with your T10 ULTRA 2 Smart Watch, refer to the following common solutions:

- **Watch not powering on:** Ensure the watch is fully charged. Connect it to the wireless charger for at least 30 minutes.
- **Cannot pair with smartphone:**

- Ensure Bluetooth is enabled on your phone and the watch.
- Restart both the watch and your smartphone.
- Check if the companion app is installed and running.
- Forget the device in your phone's Bluetooth settings and try pairing again.

- **Inaccurate health readings:**

- Ensure the watch is worn snugly on your wrist, not too tight or too loose.
- Clean the sensor on the back of the watch.
- Avoid excessive movement during measurements.

- **Notifications not received:**

- Verify the watch is connected to your phone via Bluetooth.
- Check notification settings in the companion app and on your phone.
- Ensure the app has necessary permissions to send notifications.

If the issue persists, consider performing a factory reset (refer to the watch settings or companion app for this option) or contact customer support.

## 6. SPECIFICATIONS

---

Feature	Detail
Brand Name	Generic
Model	T10 ULTRA 2
ASIN	B0DQF189BY
Item Weight	100 g
Screen Size	49 Millimeters
