PuraFlame Herman 72" (EF541B)

PuraFlame Herman 72 Inch Smart Linear Electric Fireplace User Manual

Model: Herman 72" (EF541B)
Brand: PuraFlame

Introduction

Thank you for choosing the PuraFlame Herman 72 Inch Smart Linear Electric Fireplace. This manual provides detailed instructions for the safe and efficient operation, installation, and maintenance of your new electric fireplace. Please read this manual thoroughly before installation and use, and retain it for future reference.

The PuraFlame Herman 72 Inch Smart Linear Electric Fireplace, showcasing its sleek design and control options.

Key Features

- **Overall Dimensions:** 72"W x 17.7"H x 5.5"D, designed for 6" wall installation.

- **Design:** Elegant, contemporary linear design with a 1" width trim for a clean look.
- **Installation Versatility:** Can be installed directly on a wall, built into a framed wall (recessed), or used as a freestanding unit.
- **Control Options:** Easy operation via smart device (app), voice control (Alexa/Google Assistant), or remote control.
- **Flame & Fuel Bed:** Features 9 flame colors and 9 fuel bed colors, with cracking sound and adjustable brightness or volume.
- **Media Options:** Includes both driftwood logs and decorative crystals, allowing customization of the fireplace's appearance.
- **Heating:** Low and high heat settings, temperature adjustable from 60°F - 84°F (16°C - 28°C), providing warmth for up to 400 sq. ft. Can be used with or without flames.
- **Safety:** Safe to mount a TV above it. Equipped with overheat protection. CSA, CUSA, FCC certified.
- **Wiring:** Choose from 2 wiring options: plug into a 120V outlet or hardwired installation.

Customize your ambiance with 9 flame colors and 5 brightness levels.

Choose between realistic driftwood logs or modern decorative crystals, with 9 fuel bed color options.

Setup and Installation

The PuraFlame Herman electric fireplace offers flexible installation options to suit your space. Ensure all components are present before beginning installation.

Installation Options

- **Recessed In-Wall:** Designed to fit into a framed wall (6" depth recommended).
- **Wall-Mount:** Can be mounted directly onto a wall using the included wall mount bracket.
- **Freestanding:** Utilize the included standing brackets for a portable setup.

Visual guide to the versatile installation options: recessed, wall-mounted, and freestanding.

Wiring Options

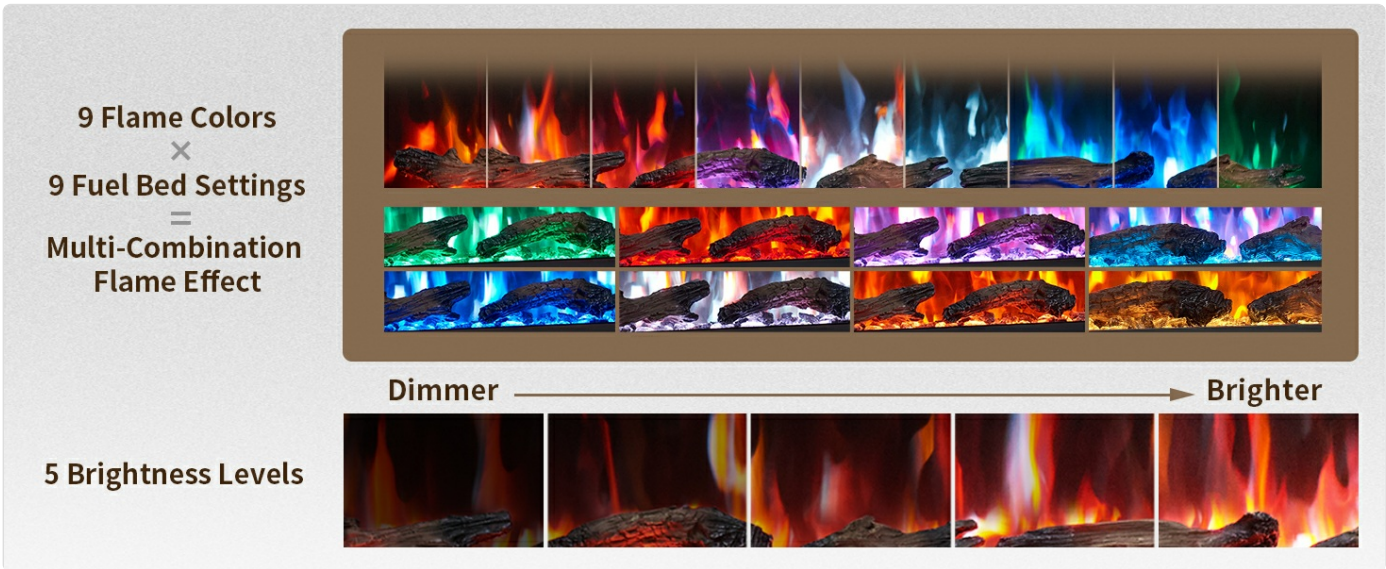

The fireplace supports two wiring methods:

- **Plug-in:** Connect directly to a standard 120V outlet.
- **Hardwired:** For a seamless look, the unit can be hardwired into your electrical system. Consult a qualified electrician for hardwired installation.

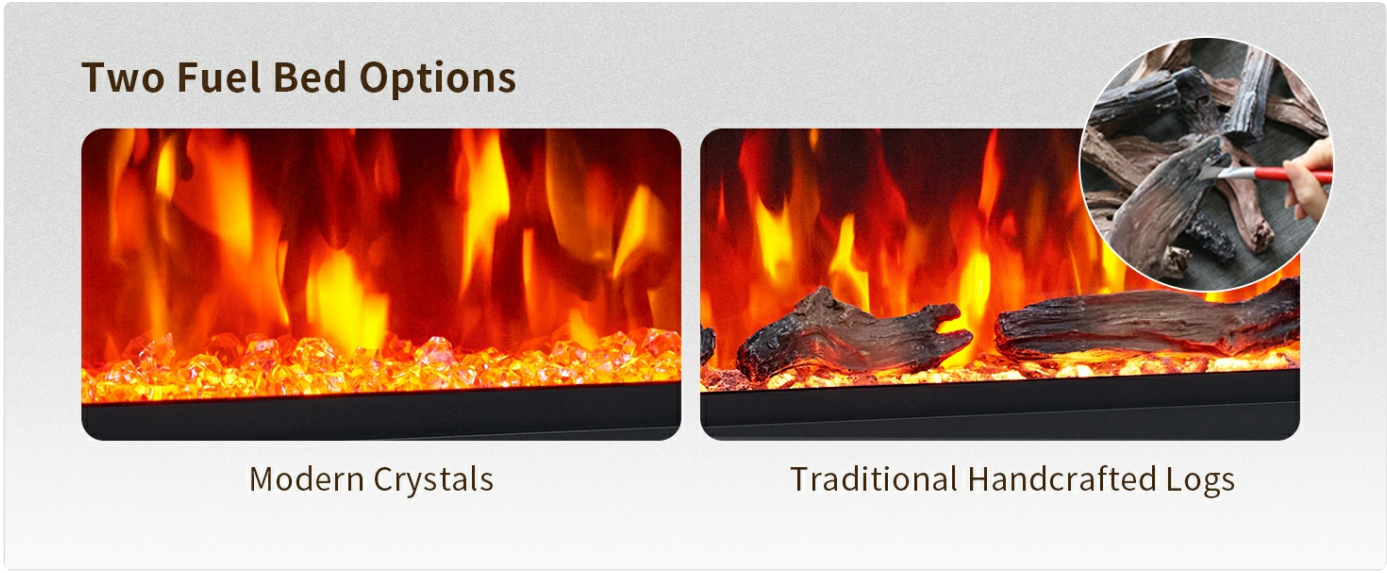

Installation Steps (General Overview)

While detailed steps are in the included manual, here's a general overview:

1. Prepare the wall opening or mounting location according to the specified dimensions.
2. Ensure proper electrical wiring is in place (120V outlet or hardwire connection).
3. Mount the fireplace securely using the appropriate brackets and hardware.
4. Install the chosen media (driftwood logs or crystals) into the fuel bed.
5. Attach the front glass panel.

Visual guide for initial installation steps, including framing and securing the unit.

Visual guide for final installation steps, including media and glass panel placement.

Operating Instructions

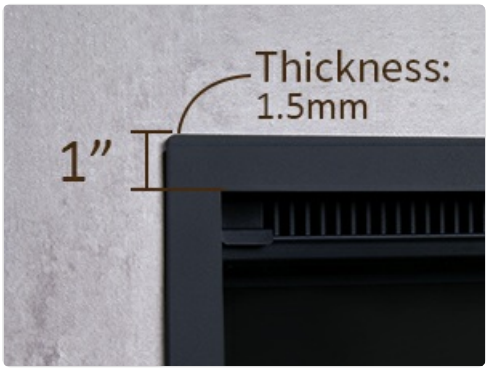

Your PuraFlame Herman fireplace offers multiple convenient ways to control its functions.

Control Methods

- **Remote Control:** Use the included remote for full control over all features.
- **Smart Device App:** Download the dedicated app to control the fireplace from your smartphone or tablet.
- **Voice Control:** Compatible with Alexa and Google Assistant for hands-free operation.
- **Manual Control:** Buttons are located on the unit for direct control.

Control your fireplace with the remote, smartphone app, or voice commands via Alexa/Google Assistant.

Seamless integration with Alexa and Google Assistant for convenient voice control.

Adjustable Settings

- **Flame Colors:** Cycle through 9 distinct flame colors to match your mood or decor.
- **Fuel Bed Colors:** Select from 9 fuel bed colors to complement the flames.

- **Flame Brightness:** Adjust the flame intensity with 5 brightness levels.
- **Cracking Sound:** Activate or adjust the volume of the realistic cracking sound effect.
- **Heat Settings:** Choose between low and high heat output.
- **Thermostat:** Set your desired room temperature between 60°F - 84°F (16°C - 28°C).
- **Timer:** Utilize the timer function for automatic shut-off.

Explore multi-combination flame effects and 5 brightness levels.

This video demonstrates the PuraFlame Herman electric fireplace in a living room setting, showcasing its flame effects and ease of use.

Maintenance

Regular maintenance ensures the longevity and optimal performance of your electric fireplace.

- **Cleaning:** Ensure the unit is unplugged and cool before cleaning. Use a soft, damp cloth to wipe surfaces. Do not use abrasive cleaners or sprays.
- **Air Vents:** Keep air vents clear of dust and debris to ensure proper heat dissipation.
- **Bulb Replacement:** Refer to the detailed manual for instructions on replacing LED bulbs, if necessary.

Troubleshooting

If you encounter issues with your fireplace, refer to the following common solutions:

- **No Power:** Check if the power cord is securely plugged into a working outlet. Verify the circuit breaker has not tripped.
- **No Flames:** Ensure the flame effect is turned on via the remote, app, or manual controls.
- **No Heat:** Confirm the heater function is activated and the thermostat is set above the current room temperature. Check for any obstructions in the heat vents.
- **Remote Not Working:** Replace the batteries (2 AAA batteries required). Ensure there are no obstructions between the remote and the fireplace's sensor.
- **App/Voice Control Issues:** Verify your Wi-Fi connection and ensure the fireplace is properly paired with your smart home system.

For persistent issues, please contact PuraFlame customer support.
