Haakelball 22FT Multi-Sport Net System

Haakelball 22FT Multi-Sport Net System Instruction Manual

Model: 22FT Multi-Sport Net System (ASIN: B0DQKFCN45)

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all components are securely connected before use.
- Always supervise children during play.
- Do not use the net system in strong winds or adverse weather conditions.
- Inspect the net and poles regularly for wear and tear. Replace damaged parts immediately.
- Use ground stakes for added stability, especially outdoors.

SETUP INSTRUCTIONS

The Haokelball 22FT Multi-Sport Net System is designed for quick and easy assembly. Follow these steps to set up your net for play.

1. **Unpack Components:** Lay out all poles, the net, and accessories on a flat, clear surface.
2. **Assemble Base Poles:** Connect the base sections of the poles. These form the foundation of the net system.
3. **Attach Net to Poles:** Slide the net onto the vertical poles. The net features sleeves for easy threading.
4. **Adjust Height:** The poles are designed with adjustable sections to set the net height for different sports.
 - **Volleyball:** Adjust to 7 feet 4 inches (7'4").
 - **Badminton:** Adjust to 5 feet 1 inch (5'1").
 - **Pickleball:** Adjust to 36 inches (3') at the sidelines.

5. **Secure with Ground Stakes:** For outdoor use and enhanced stability, use the provided ground stakes to anchor the net system. This helps keep the net taut and stable during play.
6. **Inflate Balls:** Use the included pump and needle to inflate the volleyball and pickleballs to their recommended pressure.

OPERATING INSTRUCTIONS

This net system supports three popular racquet sports. Adjust the net height according to the sport you wish to play.

Volleyball

Set the net height to 7 feet 4 inches (7'4"). Use the provided PVC volleyball. This setup is suitable for casual games in backyards, beaches,

or parks.

MAINTENANCE

Proper care and maintenance will extend the life of your Haakelball Multi-Sport Net System.

- **Cleaning:** Wipe down poles and net with a damp cloth after use, especially if used outdoors or on sandy surfaces. Avoid harsh chemicals.
- **Storage:** Disassemble the net system and store all components in the provided carry bag. Store in a dry, cool place away from direct sunlight when not in use.
- **Inspection:** Regularly check the net for tears and the poles for any signs of damage or rust. The poles are powder-coated for rust protection, but prolonged exposure to moisture can still cause issues.

- **Net Care:** The 4-ply PE net is tear-resistant. If minor damage occurs, repair promptly to prevent further tearing.

TROUBLESHOOTING

If you encounter any issues with your Haakelball Multi-Sport Net System, refer to the following common solutions:

- **Net Sagging:** Ensure all pole sections are fully extended and locked into place. Verify that the ground stakes are properly installed and the net tensioning straps (if applicable) are tightened.
- **Instability:** Confirm that the base poles are correctly assembled and positioned on a flat surface. Always use ground stakes for outdoor stability.
- **Difficulty Adjusting Height:** Check that the locking mechanisms on the adjustable poles are clean and free of debris. Apply a small amount of silicone lubricant if poles are stiff.
- **Missing Parts:** Refer to the "Package Contents" section. If any parts are missing upon arrival, contact customer support immediately.
