## SETUP AND ASSEMBLY

The KOMFOTTEU 2-Piece Combinable TV Cabinet requires assembly. A detailed user manual with step-by-step instructions and diagrams is included in the product packaging. Please follow these instructions carefully to ensure correct and safe assembly.

### Before You Begin:

- Unpack all components and verify against the parts list provided in the assembly manual.
- Ensure you have all necessary tools as specified in the assembly manual.
- Assemble the unit on a soft, clean surface to prevent scratches.
- It is recommended to have two people for assembly to facilitate handling and ensure stability.

## OPERATING AND USAGE

The modular design of this TV cabinet allows for various configurations to suit your needs. The two L-shaped units can be arranged in multiple ways to create a TV stand, a bookcase, or a bedside table.

### Configuring Your Unit:

- **TV Stand Configuration:** Arrange the two L-shaped units to form a stable base for your television. The design supports TVs up to 60 inches. Ensure the TV is centered and stable on the top surface.
- **Bookcase Configuration:** The units can be stacked or placed side-by-side to create shelving for books, decorative items, or storage boxes.
- **Bedside Table Configuration:** Use individual L-shaped units or combine them to form a functional bedside table with storage.

Utilize the closed compartments for items you wish to keep out of sight, and the open shelves for displaying decorative objects, media devices, or frequently accessed items.

## MAINTENANCE

To ensure the longevity and appearance of your KOMFOTTEU TV Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** The surface is designed to be easy to clean. Wipe regularly with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the material.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Stability:** Periodically check all fasteners and tighten if necessary to maintain structural integrity.
