L'Oreal Paris EverPure Glossing Hair Care System Instruction Manual

Brand: L'Oreal Paris | Model: 0071249702222

INTRODUCTION

The L'Oreal Paris EverPure Glossing hair care system is designed to smooth and intensify shine for color-treated, processed, dry, and dehydrated hair while protecting color. This system aims to provide a glossy finish and seal hair for intense smoothness and lasting glass shine.

PRODUCT OVERVIEW

Image: The L'Oreal Paris EverPure Glossing Shampoo and Conditioner bottles, showcasing their design and branding.

SULFATE-FREE INTENSE GLOSSING TECHNOLOGY FOR UP TO 5-DAY GLASS SHINE

Image: The complete EverPure Glossing system, including the shampoo, conditioner, and 5-minute lamination mask, highlighting their roles in cleansing, moisturizing, and sealing hair fibers for shine.

The EverPure Glossing system is formulated with glycolic acid to intensely smooth hair fibers and enhance shine. It is 100% Sulfate Free, Paraben Free, No Harsh Salts, No Phthalates, No Harsh Surfactants, Dye Free, and Gluten Free*. The formula is vegan** and validated by colorists, making it safe for daily hair care, especially for color-treated hair.

*Gluten-free refers to gluten-containing ingredients. **No animal-derived ingredients or by-products.

USAGE INSTRUCTIONS

For optimal results, use the EverPure Glossing Shampoo and Conditioner System 2-3 times per week. Follow these steps:

1. Step 1: Cleanse with Glossing Shampoo

Apply shampoo to wet hair, massage gently into the scalp and hair, then rinse thoroughly. The shampoo contains 2% Glycolic Acid to help cleanse and add shine.

Image: Back of the shampoo bottle showing usage instructions and product commitments.

2. Step 2: Condition with Glossing Conditioner

After rinsing the shampoo, apply the Glossing Conditioner from lengths to tips. Leave on for 3 minutes, then rinse thoroughly. The conditioner contains 11% Glycolic Acid to perfectly smooth the fiber's surface.

3. Step 3: Treat with 5-Minute Lamination Mask (Optional, for enhanced shine)

For a glossy finish and intense smoothness, apply the EverPure Glossing Glass Shine Mask after the shampoo and conditioner. Leave on for 5 minutes, then rinse. This mask contains 17% Glycolic Acid to seal hair for lasting glass shine.

KEY BENEFITS AND TECHNOLOGY

- Glycolic Acid Complex:** The system is powered by Glycolic Acid, which restores fibers from the inside to intensely improve hair quality

and seal hair with lasting shine.

- **Sulfate-Free Formula:** All products are 100% Sulfate Free, Paraben Free, No Harsh Salts, No Phthalates, No Harsh Surfactants, Dye Free, and Gluten Free*, ensuring gentle care for your hair, especially color-treated hair.
- **Instant Hair Transformation:** Experience up to 2x more shine and up to 88% smoother hair, with results lasting up to 5 washes.
- **Enhanced Smoothness and Shine:** The system intensely smooths hair fibers to beautifully reflect light, delivering 8x smoother hair and up to five days of intense glass shine.
- **Sophisticated Scent:** Enjoy the pleasant scent of bergamot and peony.

REAL RESULTS, UN-RETOUCHED

Image: Real results showing red hair transformed from dull and dry to glossy and smooth after using the system.

GLOSSING CARE COMPLEX WITH GLYCOLIC ACID

Image: Shows the different percentages of Glycolic Care Complex in the shampoo (2%), mask (17%), and conditioner (11%).

MAINTENANCE

To maintain the health and shine of your hair, continue using the EverPure Glossing system regularly as part of your hair care regimen. Its gentle, sulfate-free formula is designed for long-term use on color-treated hair without stripping color or causing damage.

For best results, ensure thorough rinsing after each step to prevent product buildup, which can diminish shine over time.

TROUBLESHOOTING

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
Hair still appears dull or dry	Insufficient product application or not using the full system. Hair damage may be severe.	Ensure you are using the complete 3-step system (Shampoo, Conditioner, and 5-Minute Lamination Mask). Apply conditioner and mask evenly from lengths to tips and leave for the recommended time. For very damaged hair, consistent use over several weeks may be needed.
Hair feels heavy or greasy	Excessive product use or insufficient rinsing.	Use a moderate amount of product. Ensure thorough rinsing of all products from your hair. Focus conditioner and mask on mid-lengths and ends, avoiding the scalp if prone to oiliness.
Color fading despite using color-safe products	External factors (sun exposure, hard water) or improper product use.	While the EverPure system is color-safe, external factors can still affect color. Consider using UV protection for hair and a shower filter if you have hard water. Ensure consistent use of the EverPure system.

SPECIFICATIONS

Feature	Detail
Product Name	L'Oreal Paris Glossing Sulfate Free Shampoo and Conditioner Set with Glycolic Acid, EverPure
Brand	L'Oreal Paris
Model Number	0071249702222
