Huggies Little Movers HuggFit 360 Diapers Size 4 Instruction Manual

Model: 00036000566017

PRODUCT OVERVIEW

Huggies Little Movers HuggFit 360° Baby Diapers are designed to provide comprehensive protection against leaks from all angles. They feature an extra secure waistband that adapts to your baby's movements during active play. These slip-on diapers offer up to 100% blowout and leakproof protection, incorporating 4X Advanced Leak Blockers. These blockers are designed to be thicker, curvier, more elastic, and have softer leg guards compared to some other brands. HuggFit 360° diapers are free from parabens, phthalates, lotions, elemental chlorine, and natural rubber latex. They also provide enhanced butt coverage. A wetness indicator is included to signal when a diaper change is needed. This product is Size 4, suitable for babies weighing 22-37 lbs, and comes in a pack of 144 diapers (4 packs of 36).

SETUP AND APPLICATION

Huggies Little Movers HuggFit 360 Diapers are designed for easy application, similar to pull-up pants. Follow these steps for proper use:

1. **Prepare the Diaper:** Ensure the diaper is open and ready. The 360° stretchy waistband allows for easy pulling up.
2. **Slide On:** Gently slide the diaper up your baby's legs, similar to how you would put on underwear. Ensure the waistband sits comfortably around the waist.
3. **Adjust for Fit:** Smooth out any wrinkles and ensure the leg guards are properly positioned around your baby's thighs to prevent leaks. The flexible waistband will conform to your baby's body for a secure fit.

OPERATING AND USAGE

These diapers are designed for active infants and toddlers, providing reliable protection throughout the day and night.

- **Leak Protection:** The 360° leak protection and 4X Advanced Leak Blockers work together to prevent leaks and blowouts, even during movement.
- **Wetness Indicator:** A color-changing wetness indicator is integrated into the diaper. This indicator will change color when wet, signaling that it is time for a diaper change.
- **When to Change:** Change the diaper promptly when the wetness indicator changes color or when the diaper feels full to maintain hygiene and comfort for your baby.

MAINTENANCE AND DISPOSAL

Proper disposal of used diapers is essential for hygiene.

1. **Easy Off:** To remove a soiled diaper, simply tear the sides of the diaper. This allows for quick and clean removal without pulling it down the legs.
2. **Roll Up:** After removal, roll the used diaper tightly from front to back.
3. **Secure with Disposal Tape:** Use the disposal tape located on the back of the diaper to secure the rolled diaper. This helps contain waste and odors.
4. **Dispose:** Place the secured diaper in a designated waste receptacle. Do not flush diapers.

TROUBLESHOOTING AND BEST PRACTICES

- **Leakage:** If leaks occur, ensure the diaper is the correct size for your baby's weight and that the leg cuffs are not tucked inwards. The 360° waistband should fit snugly but not too tightly.
- **Red Marks/Tightness:** If red marks appear on your baby's skin, the diaper might be too small. Refer to the size guide in the specifications section to ensure the correct size is being used.
- **Skin Irritation:** Huggies Little Movers HuggFit 360 Diapers are made without harsh ingredients. If irritation occurs, discontinue use and consult a healthcare professional. Ensure frequent changes to keep skin dry.
- **Proper Fit:** The diaper should sit comfortably around the waist and thighs, allowing for full range of motion without gaping or excessive tightness.

SPECIFICATIONS

Brand	HUGGIES
Model Number	00036000566017
Size	Size 4
Weight Range	22-37 lbs
Unit Count	144 Count (4 Packs of 36)

IMPORTANT SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- **Skin Irritation:** Diapers may cause skin irritation in some individuals. If irritation occurs, discontinue use.
- **Intended Use:** This product is for urine protection only.
- **Proper Usage:** Always follow instructions for proper fit and usage to ensure effectiveness and prevent discomfort.
- **Disposal:** Dispose of used products responsibly in a waste bin. Do not flush.
- **Choking Hazard:** Keep plastic bags and diaper materials away from babies and children to avoid suffocation or choking.

WARRANTY AND SUPPORT

Huggies is committed to product quality and customer satisfaction. If you are not completely satisfied with your Huggies Little Movers HuggFit 360 Diapers, please contact Kimberly-Clark Corp. customer service for assistance. Refer to the product packaging for specific contact details or visit the official Huggies website for more information on their satisfaction guarantee.
