# BESTFIRE Tabletop Gas Grill 2 Burners Instruction Manual

Model: BFEQT42CAS

[Safety](#) [Overview](#) [Setup](#) [Operation](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty](#) [Support](#)

## IMPORTANT SAFETY INFORMATION

**WARNING:** For outdoor use only. Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.

**DANGER:** If you smell gas:

1. Shut off gas to the appliance.
2. Extinguish any open flame.
3. Open lid.
4. If odor continues, keep away from the appliance and immediately call your gas supplier or fire department.

Failure to follow these instructions could result in fire, explosion, or burn hazard, which could cause property damage, personal injury, or death.

Always read and understand the entire instruction manual before assembling or operating this grill.

Keep children and pets away from the grill at all times.

Ensure the grill is placed on a stable, level surface.

Do not move the grill while in use.

Always wear protective gloves when handling hot components.

## PRODUCT OVERVIEW

The BESTFIRE Tabletop Gas Grill is a portable 2-burner propane grill designed for outdoor cooking. It features a stainless steel construction for durability and ease of cleaning, with a total heat output of 20,000 BTUs.

### Components and Features

- **Dual Burners:** Two independent burners provide versatile temperature control.
- **Stainless Steel Grates:** Durable and easy to clean cooking surface.
- **Built-in Thermometer:** Monitors internal grill temperature.
- **Control Knobs:** For ignition and flame adjustment.
- **Sturdy Handle:** For easy lifting and transport.
- **Cover Lock Catch:** Secures the lid for safe transportation.
- **Removable Grease Tray:** Collects drippings for easy cleanup.

- **Leg Supports:** Provides stability and elevates the grill.
- **Gas Hose and Regulator:** For connecting to a propane tank.

## SETUP AND ASSEMBLY

---

This section provides instructions for assembling your BESTFIRE Tabletop Gas Grill. Minimal assembly is required.

### Package Contents

*Image: All components included in the package: 1 portable propane grill, 2 food racks, 2 ignition plates, 1 gas hose, and 4 legs.*

- 1 x Portable Propane Grill unit
- 2 x Food Racks
- 2 x Ignition Plates
- 1 x Gas Hose with Regulator
- 4 x Leg Supports

### Assembly Steps

1. **Attach Leg Supports:** Carefully turn the grill upside down. Screw the four leg supports into the designated holes on the bottom of the grill until secure.
2. **Install Ignition Plates:** Place the two ignition plates over the burners inside the grill cavity. Ensure they are properly seated.
3. **Place Food Racks:** Position the two food racks onto the support ledges above the ignition plates.
4. **Connect Gas Hose:** Attach the gas hose with regulator to the gas inlet on the side of the grill. Hand-tighten securely.
5. **Connect to Propane Tank:** Connect the regulator end of the gas hose to your propane tank. Ensure a tight seal.

6. **Secure Lid:** Use the cover lock catches on the sides of the grill to secure the lid for transport or storage.

## OPERATING INSTRUCTIONS

---

### Pre-Operation Checklist

- Ensure all gas connections are tight.
- Check for gas leaks using a soapy water solution (bubbles indicate a leak).
- Verify the propane tank valve is fully closed before connecting.
- Ensure the grill is on a stable, non-combustible surface.
- Keep a fire extinguisher or water source nearby.

### Ignition Procedure

1. Open the grill lid.
2. Ensure all burner control knobs are in the "OFF" position.
3. Slowly open the propane tank valve fully.
4. Push in and turn one burner control knob to the "HIGH" position. You should hear a clicking sound as the igniter sparks.
5. If the burner does not ignite within 5 seconds, turn the knob to "OFF", wait 5 minutes for gas to dissipate, and repeat the ignition procedure.
6. Once the first burner is lit, you can ignite the second burner by pushing in and turning its control knob to "HIGH".
7. Adjust flame to desired cooking temperature using the control knobs (HIGH to LOW).

*Video: Demonstration of the ignition process and general use of the BESTFIRE Tabletop Gas Grill.*

### Cooking Tips

- Preheat the grill for 10-15 minutes with the lid closed to reach desired cooking temperature.
- Use the built-in thermometer to monitor the internal temperature.
- Adjust individual burner controls for direct or indirect heat zones.
- Always cook food to safe internal temperatures.

# PACKAGE LIST

Food Rack x 2

Ignition Plate x 2

Gas Hose x 1

Propane Grill x 1

Legs x 4

## CARE AND MAINTENANCE

Regular cleaning and maintenance will extend the life of your grill and ensure optimal performance.

### Cleaning Instructions

- **After Each Use:**
  - Turn off gas supply and allow the grill to cool completely.
  - Remove food racks and clean with a grill brush.
  - Empty and clean the removable grease tray.
  - Wipe down exterior surfaces with a damp cloth and mild detergent.
- **Periodic Cleaning:**

- Inspect burner ports for blockages and clean if necessary.
- Check gas hose for cracks or damage.
- Clean the interior of the grill, including heat deflectors and burner covers.

*Image: The grease collector tray pulled out from the grill, illustrating its easy removal for cleaning.*

## Storage

- Store the grill in a dry, protected area when not in use.
- Disconnect the propane tank and store it upright in a well-ventilated area, away from direct sunlight or heat sources.
- If storing indoors, ensure the propane tank is disconnected and stored outdoors.

## TROUBLESHOOTING GUIDE

---

Refer to this guide for common issues and their solutions.

Problem	Possible Cause	Solution
Burner fails to ignite	No gas flow, clogged burner port, faulty igniter.	Check propane tank level and connection. Clean burner ports. Contact support if igniter is faulty.
Low flame or uneven heat	Low gas pressure, clogged burner ports, regulator issue.	Check propane tank. Clean burner ports. Reset regulator by disconnecting and reconnecting the hose.
Gas odor	Gas leak.	Immediately shut off gas. Perform a leak test with soapy water. Tighten connections. If odor persists, do not use and contact gas supplier.
Flare-ups	Excess grease buildup, high heat.	Clean grease tray and grill grates regularly. Reduce heat. Trim excess fat from meat.
