Casaottima 6-Tier Tree Bookshelf with LED Lights (Vintage)

Casaottima 6-Tier Tree Bookshelf with LED Lights Instruction Manual

Model: 6-Tier Vintage

1. INTRODUCTION

Thank you for choosing the Casaottima 6-Tier Tree Bookshelf with LED Lights. This narrow bookcase is designed to provide efficient storage and a stylish aesthetic for small spaces, featuring a unique tree-like structure and customizable RGB LED lighting. This manual will guide you through the assembly, operation, and maintenance of your new furniture.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 198 pounds for the entire unit. Distribute weight evenly across shelves.
- **Anti-Tip Kit:** For safety, especially in households with children or pets, it is highly recommended to secure the bookshelf to the wall using the provided anti-tip kit.
- **Stable Placement:** Place the bookshelf on a flat, level, and stable surface to prevent tipping.
- **Assembly:** Assemble the unit according to the instructions. Ensure all screws and fasteners are tightened securely. Do not overtighten.
- **Electrical Safety:** When connecting the LED light strip, ensure the power source is appropriate and follow all electrical safety guidelines. Keep cables tidy to prevent tripping hazards.
- **Children:** Do not allow children to climb on the bookshelf.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

Part	Description	Quantity
A	Base Panel	1
B	Side Panels (Left/Right)	2
C	Shelf Boards	6
D	Back Support Bar	1
E	LED Light Strip with Controller	1
F	Screws (various sizes)	Assorted
G	Allen Wrench	1
H	Anti-Tip Kit	1
I	Instruction Manual	1

4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your bookshelf. It is recommended to have two people for assembly.

- Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the "Package Contents" section to identify each part.
- Assemble the Base:** Attach the side panels to the base panel using the designated screws. Ensure the screw holes are aligned correctly.
- Attach Shelf Boards:** Secure each shelf board to the main frame using the provided screws. Pay attention to the orientation of each shelf to create the tree-like structure. Ensure all connections are firm.
- Install Back Support Bar:** Attach the back support bar to the rear of the bookshelf frame for added stability.
- Install LED Light Strip:** Carefully peel the adhesive backing from the LED light strip and attach it along the designated channel on the back of the bookshelf frame. Connect the light strip to the controller.
- Attach Anti-Tip Kit:** Secure the anti-tip kit to the top rear of the bookshelf and then to a wall stud using appropriate hardware. This step is crucial for safety.

5. OPERATING THE LED LIGHTS

The integrated RGB LED light strip offers customizable lighting options to enhance your space.

- **Power On/Off:** Use the switch on the light strip controller to turn the lights on or off.
- **Color Adjustment:** The switch allows you to cycle through multiple built-in lighting modes, including various static

colors and dynamic scenes (e.g., sunset, forest, birthday, Christmas themes).

- **Brightness Control:** Adjust the brightness levels using the controller to suit your preference.
- **Transition Speed:** For dynamic modes, you can adjust the speed of color transitions.
- **Custom Patterns:** The controller may allow you to customize and save your own lighting patterns for a personalized experience.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your bookshelf.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the shelves and frame to prevent buildup.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining, as the product is water-resistant but not waterproof.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **LED Lights:** The LED light strip is designed for long-term use. If issues arise, refer to the troubleshooting section. Do not attempt to repair the LED strip yourself.

7. TROUBLESHOOTING

If you encounter any issues with your bookshelf, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bookshelf is wobbly/unstable.	Loose fasteners; uneven floor; anti-tip kit not installed.	Ensure all screws are tightened. Place on a level surface. Install the anti-tip kit as instructed.
LED lights are not turning on.	Power cable disconnected; faulty power outlet; controller issue.	Check if the power cable is securely plugged into the outlet and the light strip. Test the outlet with another device. Ensure the controller is connected correctly.
LED lights are not changing colors/modes.	Controller malfunction; incorrect button press.	Refer to the LED light strip's specific controller instructions. Try resetting the controller if possible (unplug and replug).
Missing parts during assembly.	Packaging error.	Contact Casaottima customer service immediately with your purchase details.
