SETUP

1. Battery Installation

The remote control requires two AAA batteries (not included). Follow these steps to install the batteries:

1. Locate the battery compartment on the back of the remote control.
2. Press down on the tab and slide the battery cover downwards to open it.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery cover back into place until it clicks securely.

2. Initial Use

Once batteries are installed, the remote control is ready for use. No additional pairing or setup is typically required for this infrared (IR) remote.

OPERATING INSTRUCTIONS

General Usage Guidelines

- **Direct Line of Sight:** Point the remote control directly at the infrared (IR) sensor on your Philips Sound Bar Speaker System.
- **Obstruction-Free Path:** Ensure there are no objects blocking the path between the remote control and the sound bar's IR sensor.
- **Operating Range:** The remote operates effectively within a range of approximately 33 feet (10 meters) from the sound bar.

MAINTENANCE

Battery Replacement

If the remote control becomes unresponsive or its range decreases, the batteries may need to be replaced. Follow the battery installation steps outlined in the "Setup" section. Always use new alkaline batteries for optimal performance.

Cleaning

To clean the remote control, gently wipe it with a soft, dry cloth. Do not use liquid cleaners, abrasive pads, or chemical solvents, as these can damage the remote's surface or internal components.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Remote control is not working.	Dead or incorrectly inserted batteries.	Reinsert or replace batteries, ensuring correct polarity (+/-).
Remote control has limited range or intermittent response.	Obstruction between remote and sound bar; weak batteries.	Ensure a clear line of sight to the sound bar's IR sensor. Replace batteries if they are old.
Remote control does not control all functions of the sound bar.	Compatibility limitations; specific sound bar model features.	This remote is a replacement and may not support all advanced features of every Philips Sound Bar model. Verify your sound bar model is listed as compatible.
