# Smoby Life Kid Chair Instruction Manual

**Brand:** Smoby | **Model:** 7600880121

## INTRODUCTION

Thank you for choosing the Smoby Life Kid Chair. This chair is designed for young children, offering a safe, comfortable, and durable seating solution. Made from at least 90% recycled plastic, it reflects a commitment to environmental responsibility. This manual provides essential information for the safe use, assembly, and maintenance of your Smoby Life Kid Chair.

## SAFETY INFORMATION

- Adult supervision is recommended when children are using the chair.
- Ensure the chair is placed on a stable, flat surface to prevent tipping.
- Do not allow children to stand on the chair.
- The maximum weight capacity for this chair is 50 kg (110 lbs). Do not exceed this limit.
- Regularly inspect the chair for any signs of damage or wear. Discontinue use if damaged.
- Keep the chair away from open flames or extreme heat sources.

## WHAT'S IN THE BOX

The Smoby Life Kid Chair package includes:

- 1 x Smoby Life Kid Chair (Blue)

No additional components or assembly tools are required as the chair comes pre-assembled.

## SETUP

The Smoby Life Kid Chair requires no assembly. Simply remove it from its packaging and place it in your desired location. Ensure the area is clear of obstructions and provides a safe space for your child to use the chair.

## OPERATING INSTRUCTIONS

The Smoby Life Kid Chair is designed for simple and intuitive use by children aged 18 months and older. It is suitable for both indoor and outdoor environments.

### General Use:

1. Ensure the chair is placed on a flat, stable surface before use.
2. Guide your child to sit properly in the chair, with their back against the backrest.
3. The chair is ideal for various activities such as drawing, playing, or eating at a child-sized table.

## MAINTENANCE

To ensure the longevity and cleanliness of your Smoby Life Kid Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the chair regularly with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the plastic.
- **Drying:** Allow the chair to air dry completely after cleaning, especially if used outdoors.
- **Storage:** While the chair features UV protection for outdoor use, storing it indoors or under cover during prolonged periods of non-use or harsh weather conditions can further extend its lifespan and maintain its color.
- **Inspection:** Periodically check all parts of the chair for any cracks, loose components, or other damage.

## TROUBLESHOOTING

This section addresses common concerns you might encounter with your Smoby Life Kid Chair.

### Chair feels unstable:

- Ensure the chair is placed on a completely flat and even surface. Uneven ground can cause instability.
- Verify that no foreign objects are lodged under the chair's feet.

### Color fading:

- While the chair has UV protection, prolonged exposure to direct sunlight over many years can still cause some minor fading. Consider storing the chair in shaded areas or indoors when not in use for extended periods.

### Difficulty cleaning:

- For stubborn stains, use a soft brush with mild soap and water. Rinse thoroughly.

## SPECIFICATIONS

Feature	Detail
