WLIVE ASNG109DK2

WLIVE ASNG109DK2 TV Stand with LED Lights and Charging Station User Manual

Model: ASNG109DK2

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE ASNG109DK2 TV Stand. This entertainment center is designed to accommodate TVs up to 45 inches and features integrated LED lighting and a convenient charging station. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always secure the TV stand to the wall using the provided anti-tip device to prevent tipping. This is crucial for the safety of children and pets.
- Do not overload the TV stand. The maximum weight limit for the top surface is 160 lbs (72.5 kg). Individual shelves and drawers have specific weight limits; refer to the specifications section.

- Ensure all screws and fasteners are securely tightened during assembly. Periodically check and re-tighten as necessary.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Place the TV stand on a level, stable surface. Uneven surfaces can compromise stability.
- Do not stand or climb on the TV stand.
- The integrated power outlet is UL/ETL certified. Do not exceed the specified electrical ratings (2 AC sockets + 2 USB ports). Avoid using damaged cords or plugs.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- Wooden Top Panel
- Wooden Shelf Panels (2)
- Fabric Drawers (6)
- Drawer Handles
- Integrated Power Outlet with 5-foot Power Cord
- LED Light Strip with Remote Control (or APP control module)
- Adjustable Feet (6)
- Anti-tip Device (Wall anchor, strap, screws)
- Assembly Hardware (Screws, Allen wrench, etc.)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately one hour. It is recommended to assemble the unit on a soft, clean surface to prevent scratches. A detailed assembly guide with clearly marked screw parts, reserved holes, and necessary tools is included in the package.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the package contents list and the assembly diagram in your included guide.
2. **Assemble the Frame:** Connect the metal frame components according to the numbered steps in the assembly guide. Ensure all screws are finger-tightened initially.
3. **Install Shelf Panels:** Secure the wooden shelf panels to the frame using the designated hardware.
4. **Attach Top Panel:** Fasten the wooden top panel to the assembled frame.
5. **Install Power Outlet:** Mount the integrated power outlet to the designated location on the frame.
6. **Install LED Light Strip:** Adhere the LED light strip to the underside of the shelves as indicated in the guide. Ensure the strip is placed close to the edges for optimal lighting.
7. **Assemble Drawers:** Insert the MDF board into the fabric drawers and attach the handles.
8. **Insert Drawers:** Place the assembled fabric drawers into their respective compartments.
9. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. Adjust them to ensure the stand is level.

10. **Secure Anti-tip Device:** Attach the anti-tip device to the back of the TV stand and secure it to a wall stud using appropriate wall anchors and screws. This step is critical for safety.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting System

The integrated LED lighting system offers customizable ambiance for your entertainment area.

- **Power On/Off:** Use the included remote control or the dedicated mobile application to turn the LED lights on or off.
- **Color Selection:** Choose from over 60,000 color options to match your mood or decor.
- **Brightness and Speed Adjustment:** Adjust the intensity of the light and the speed of dynamic lighting effects via the remote or app.
- **Music Synchronization:** The lights can synchronize with music, providing a dynamic visual experience. Activate this feature through the mobile application.
- **Timing Function:** Set timers for the lights to turn on or off automatically.

Image 5.1: Features of the Smart LED Light system, including app control and music synchronization.

5.2 Integrated Charging Station

The TV stand includes a built-in power strip to conveniently power your devices.

- **AC Outlets:** Two 125V/12A AC outlets are provided for powering TVs, game consoles, routers, or other electronics.
- **USB Ports:** Two 5V/2.4A USB ports are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is equipped with a 5-foot flexible power cord. Ensure it is plugged into a grounded wall outlet.
- **Safety:** The power outlet is UL/ETL certified for electrical safety. Do not exceed the maximum load capacity.

Image 5.2: Detail of the integrated charging station with AC outlets and USB ports.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. The fabric drawers can be spot cleaned with a mild detergent.
- **Hardware Check:** Periodically inspect all screws and fasteners to ensure they remain tight. Re-tighten as needed to maintain structural integrity.
- **Drawer Care:** The fabric drawers are designed for durability. Avoid overfilling them to prevent deformation.
- **LED Lights:** If the LED strip becomes loose, re-secure it with appropriate adhesive.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord not plugged in. Remote control battery depleted. LED strip connection loose.	Ensure the power cord is securely plugged into a working outlet. Replace the remote control battery. Check all connections of the LED strip and controller.
Charging station not working.	Main power cord not plugged in. Device not properly connected to outlet/USB. Overload protection activated.	Verify the TV stand's main power cord is plugged in. Ensure devices are fully inserted into the AC outlets or USB ports. Unplug some devices to reduce load.
Stand feels unstable.	Uneven floor. Loose hardware. Anti-tip device not installed or secured.	Adjust the leveling feet on the bottom of the stand. Re-tighten all assembly screws. Install and properly secure the anti-tip device to the wall.
Fabric drawers are deformed.	Overloaded drawers. MDF board not properly inserted.	Reduce the weight or volume of items stored in the drawers. Ensure the MDF board is correctly placed at the bottom of each drawer.

8. SPECIFICATIONS

- **Brand:** WLIVE
- **Model Name:** ASNG109DK2
- **Product Dimensions:** 11.73"D x 39.65"W x 31.57"H (29.8 cm D x 100.7 cm W x 80.2 cm H)
- **Recommended TV Size:** Up to 45 inches
- **Item Weight:** 29.5 pounds (13.4 kg)
- **Material:** Metal frame, P2 grade artificial wood top, 3-layer fiberboard fabric drawers
- **Number of Drawers:** 6
- **Number of Shelves:** 3 (including top surface)
- **Color:** Charcoal Black Wood Grain Print
