CorLiving BCF-131-S

CorLiving Everly Twin Size Day Bed with Trundle (Model BCF-131-S) Instruction Manual

Brand: CorLiving | Model: BCF-131-S

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your CorLiving Everly Twin Size Day Bed with Trundle. Please read all instructions carefully before beginning assembly and retain this manual for future reference. The CorLiving Everly Day Bed is designed to offer both seating and sleeping solutions, featuring a robust wood frame, upholstered finish, and a convenient pull-out trundle bed. Its contemporary design with a tufted backrest and nailhead trim enhances any living space.

SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all bolts, screws, and connectors are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not use power tools for assembly unless specifically instructed, as this may overtighten and damage components.
- Keep small parts away from children during assembly to prevent choking hazards.
- Do not stand or jump on the day bed or trundle.
- Maximum weight limit for the day bed and trundle is 198 pounds (89.81 kg) each. Do not exceed this limit.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer support immediately.

- Headboard
- Side Panels
- Trundle Frame
- Slats for Day Bed
- Slats for Trundle
- Hardware Pack (screws, bolts, washers, Allen key)
- Assembly Guide (this document)

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended that two adults assemble the day bed. Please follow the steps below carefully.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Compare them with the "Package Contents" list and the hardware diagram in your separate assembly guide to ensure everything is present.
- 2. Assemble the Main Day Bed Frame:** Attach the side panels to the headboard and footboard using the provided bolts and washers. Ensure all connections are snug but do not overtighten initially.
- 3. Install Day Bed Slats:** Place the main bed slats across the frame and secure them according to the assembly guide. Ensure even spacing and secure attachment for proper mattress support.
- 4. Assemble the Trundle Frame:** Construct the trundle frame, attaching its side panels and wheels as instructed.
- 5. Install Trundle Slats:** Secure the trundle slats to the trundle frame.
- 6. Insert Trundle:** Carefully slide the assembled trundle into position under the main day bed frame.
- 7. Final Tightening:** Once all components are in place, go back and securely tighten all bolts and screws. Do not overtighten.

OPERATING INSTRUCTIONS

Using the Day Bed

The main day bed functions as both a seating area and a primary sleeping surface. Place a standard twin-size mattress (not included) on the slats. For seating, arrange pillows against the backrest for comfort.

Using the Trundle Bed

The trundle bed provides an additional sleeping area, conveniently stored beneath the main day bed.

1. **To Extend:** Gently pull the trundle frame out from under the main day bed using the integrated handle or front panel. The wheels will allow it to slide smoothly.
2. **To Retract:** Push the trundle frame back under the main day bed until it is fully concealed. Ensure no bedding or objects obstruct its movement.

MAINTENANCE AND CARE

- **Cleaning:** The upholstery fabric is polyester. Spot clean only. Use a clean, damp cloth with mild soap for spills. Blot gently; do not rub. Test any cleaning solution on an inconspicuous area first.
- **Dusting:** Regularly dust the upholstered surfaces with a soft brush or vacuum with an upholstery attachment.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading of the fabric.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical solvents, as these can damage the fabric and finish.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware.	Check and tighten all bolts and screws. Ensure all connections are secure.
Trundle does not slide smoothly.	Obstruction under the bed; wheels are dirty or damaged; trundle frame is misaligned.	Clear any objects from under the bed. Clean trundle wheels. Check trundle assembly for correct alignment and ensure all hardware is tight.
Squeaking noises.	Loose connections; friction between components.	Re-tighten all hardware. If squeaking persists, identify the source and apply a small amount of lubricant (e.g., silicone spray) to friction points, avoiding fabric.

SPECIFICATIONS

Feature	Detail
Model Number	BCF-131-S
Brand	CorLiving
Style	Contemporary
Size	Twin
Colour	Dark Grey
Upholstery Fabric Type	Polyester
Frame Material	Engineered Wood
Product Dimensions (L x W x H)	2.07L x 1.11W x 0.98H Meters (81.5" L x 43.75" W x 38.5" H approx.)
