REVOLV B0DQVTRYWB

REVOLV Men's Razor Instruction Manual

Model: B0DQVTRYWB

INTRODUCTION

This manual provides essential information for the safe and effective use of your REVOLV Men's Razor. The REVOLV razor features a premium weighted handle and a dual-sided cartridge system designed for a close and smooth shave. It is suitable for daily grooming and stubble control.

The razor includes:

- 1 Premium Weighted Handle
- 1 Dual-Sided Cartridge

SAFETY INFORMATION

WARNING: Contains sharp blades. Handle with extreme care to avoid cuts. Keep out of reach of children. Dispose of used blades safely in a suitable container.

SETUP AND CARTRIDGE ATTACHMENT

The REVOLV razor is designed for easy cartridge attachment. Follow these steps to prepare your razor for use:

1. Unpack the razor handle and a new dual-sided cartridge.
2. Hold the razor handle firmly.
3. Align the cartridge with the attachment mechanism on the handle. The magnetic attachment ensures a secure fit.
4. Gently push the cartridge onto the handle until it clicks into place.

Double-Sided Cartridges Lasts Twice as Long

Figure 1: Attaching the dual-sided cartridge to the REVOLV razor handle.

The dual-sided design allows for extended use by flipping the cartridge when one side becomes dull. This reduces the frequency of cartridge replacements.

OPERATING INSTRUCTIONS

For an optimal shaving experience, follow these guidelines:

1. **Prepare Skin:** Wet your face with warm water and apply a quality shaving cream or gel to soften the hair and lubricate the skin.
2. **Shave with the Grain:** Begin by shaving in the direction of hair growth to minimize irritation, especially for sensitive skin.
3. **Gentle Strokes:** Use light, even strokes. The weighted handle provides balance, so excessive pressure is not required.
4. **Rinse Frequently:** Rinse the razor head under running water after every few strokes to prevent blade clogging.
5. **Against the Grain (Optional):** For an even closer shave, reapply shaving cream and carefully shave against the grain. This step may not be suitable for all skin types.
6. **Post-Shave Care:** Rinse your face with cool water and apply an aftershave balm or moisturizer.

Functional & Durable

REVOLV's Men's Shaving Kit is high quality, durable, and made to last. Perfect for daily grooming and stubble control, our face razor kit delivers a close, smooth shave without added pressure.

MAINTENANCE

Proper maintenance extends the life of your REVOLV razor and ensures consistent performance.

- **Cleaning:** After each shave, thoroughly rinse the razor head under running water to remove all hair and shaving cream residue. Do not tap the razor against hard surfaces, as this can damage the blades.
- **Drying:** Shake off excess water and allow the razor to air dry. Store it in a dry place to prevent corrosion.
- **Cartridge Replacement:** When both sides of the dual-sided cartridge become dull, detach the old cartridge by pulling it away from the handle and dispose of it safely. Attach a new cartridge as described in the "Setup" section.

Premium Quality Razor

Experience premium shaving designed for modern, confident men who demand excellence.

- ✓ Weighted Handle
- ✓ Magnetic Cartridge Attachment
- ✓ Patented Design
- ✓ Dual-sided Cartridges
- ✓ Swedish Steel

TROUBLESHOOTING

If you encounter issues with your REVOLV razor, consider the following:

- **Dull Blades:** If the shave feels rough or pulls hair, the cartridge blades may be dull. Flip the dual-sided cartridge to use the fresh side, or replace the cartridge if both sides are dull.
- **Skin Irritation/Razor Burn:** Ensure your skin is adequately prepared with warm water and shaving cream. Shave with light strokes and rinse the blade frequently. If irritation persists, try shaving only with the grain.
- **Clogged Blades:** Rinse the razor head thoroughly under running water. If stubborn clogs occur, gently tap the back of the cartridge against the sink (avoid tapping the blades directly).
- **Cartridge Not Attaching Securely:** Check for any debris in the attachment mechanism on both the handle and the cartridge. Ensure the cartridge is aligned correctly before pushing it onto the handle.

SPECIFICATIONS

Brand	REVOLV
Model Number (ASIN)	B0DQVTRYWB
Product Dimensions	7.38 x 3.25 x 1 inches
Item Weight	2.4 ounces
Number of Blades	1 (per side of dual-sided cartridge)
Special Feature	Double Sided Cartridge
Manufacturer	REVOLV
GTIN/UPC	860010078709
