3. SAFETY INFORMATION

Always follow the assembly instructions carefully. Use appropriate tools and ensure the work area is well-lit and stable. Keep children and pets away from the assembly area. If you are unsure about any part of the assembly process, consult a professional.

The desk weighs approximately 122.1 pounds (55.38 kg). It is recommended that **two people** are involved in the assembly process, especially when handling larger components, to prevent injury.

4. ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are provided in the separate assembly guide included with your product. Please ensure all parts are present before beginning assembly. A screwdriver is recommended for assembly.

4.1. Pre-Assembly Checklist

- Verify all components are included and undamaged.
- Clear a spacious, well-lit area for assembly.
- Have a screwdriver and any other necessary tools ready.

- It is recommended to have two people for assembly due to the product's weight and size.

4.2. General Assembly Tips

- Follow the step-by-step diagrams in the assembly guide.
- Do not overtighten screws to avoid damaging the wood.
- Ensure all connections are secure before moving the desk.

6. MAINTENANCE

To ensure the longevity and appearance of your BTHFST Executive Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Environmental Conditions:** Avoid placing the desk in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable room temperature and humidity.

7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Wobbly Desk:** Ensure all assembly hardware is securely tightened. Check that the desk is on a level surface.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free of obstructions. Apply a silicone-based lubricant if necessary.
- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the mobile app or button controller is functioning correctly and paired. Refer to the LED light controller manual for specific troubleshooting steps.
- **Charging Station Not Functioning:** Ensure the desk's main power cord is securely plugged into a working wall outlet. Check that devices are properly connected to the AC outlets or USB ports.
