All elements are compatible with other Mattel Brick Shop construction sets and bricks from other leading brands, allowing for expanded creative possibilities.

5. MAINTENANCE

To ensure the longevity and appearance of your building set, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with clean water and air dry thoroughly. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

6. TROUBLESHOOTING

If you encounter any issues during assembly or with the product components, consider the following:

- **Missing or Damaged Parts:** Carefully check the contents against the parts list in the instruction manual. If any parts are missing or damaged, please contact Mattel customer service for assistance.

- **Loose Connections:** Ensure all bricks are firmly pressed together. Some connections may require additional pressure to secure properly.
- **Assembly Difficulties:** Review the instruction manual steps carefully. Sometimes, a small detail or orientation can be overlooked.
