Setup and Assembly

The GAOMON Dog Crate Furniture is designed for straightforward assembly. All necessary tools and detailed instructions are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list.
2. **Attach Wheels/Feet:** Decide whether to use the lockable 360-degree wheels for mobility or the non-slip feet for fixed installation. Attach the chosen components to the bottom frame of the crate using the provided hardware. Ensure wheels with brakes are positioned diagonally for maximum stability when locked.
3. **Assemble Frame:** Connect the metal frame sections according to the visual instructions. Secure all connections with the provided screws and bolts.
4. **Install Wooden Panels:** Attach the wooden side and back panels to the metal frame.
5. **Install Doors:** Mount the double doors (front and side) to the frame. The side door can be customized to open left or right. Ensure the high-security latches operate smoothly.

6. **Place Removable Tray:** Slide the removable tray into the bottom of the crate.
7. **Attach Top Panel:** Secure the wooden top panel to the assembled frame.

Operating Instructions

This dog crate furniture is designed to provide a secure and comfortable space for your pet while seamlessly integrating into your home decor.

- **Accessing the Crate:** The crate features double doors, providing both front and side access. Use the secure latches to open and close the doors.
- **Positioning:** If using wheels, unlock them to move the crate to your desired location. Once positioned, lock the wheels to prevent movement. If using non-slip feet, ensure the crate is placed on a stable, level surface.
- **Versatile Use:** The sturdy top surface can be used as an end table or nightstand to hold decorative items, lamps, or pet essentials.
- **Pet Comfort:** Ensure a comfortable bedding is placed inside the crate for your pet. The crate is designed for large to large dogs up to 70 lbs, with dimensions of 38.6"L x 25.6"W x 26.8"H.

Maintenance

Regular maintenance will ensure the longevity and hygiene of your dog crate furniture.

- **Cleaning the Tray:** The removable tray can be easily pulled out for cleaning. This is ideal for managing any accidents, fur, crumbs, or dirt. Clean with mild soap and water, then dry thoroughly before reinserting.
- **Surface Cleaning:** Wipe down the wooden and metal surfaces with a damp cloth. Avoid harsh chemicals that may damage the finish or be harmful to your pet.
- **Inspection:** Periodically check all screws, bolts, and latches to ensure they are tight and secure.

Troubleshooting

This section addresses common issues you might encounter with your dog crate furniture.

- **Crate Instability:** Ensure all assembly hardware is tightened. If using wheels, verify that the brakes are engaged when the crate is stationary. If using non-slip feet, confirm the crate is on a flat, even surface.
- **Difficulty with Doors/Latches:** Check for any obstructions in the door tracks or latch mechanisms. Ensure the doors are properly aligned within the frame.
- **Pet Chewing:** While the crate is built with reinforced steel, persistent chewing can occur. Consider using chew deterrents or providing appropriate chew toys for your pet.
