Feasto ST3204B

Feasto Outdoor Grill Cart Instruction Manual

Model: ST3204B

INTRODUCTION

Thank you for choosing the Feasto Outdoor Grill Cart. This versatile and durable cart is designed to enhance your outdoor cooking and entertaining experience. Featuring a robust stainless steel tabletop, ample storage, and smooth-rolling wheels, it serves as an ideal companion for your grill, pizza oven, or as a general food preparation station. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your product.

SAFETY INFORMATION

Please read all safety instructions carefully before assembling or using the grill cart. Failure to follow these instructions may result in injury or damage to the product.

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children and pets away during assembly.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 200 pounds (90.7 kg) for the entire cart. Distribute weight evenly.
- **Stable Surface:** Always place the cart on a flat, stable, and level surface. Engage wheel locks when the cart is stationary to prevent accidental movement.
- **Heat Source Distance:** If using with a grill or hot appliance, ensure adequate clearance from flammable materials and follow the appliance manufacturer's safety guidelines regarding heat and ventilation. The stainless steel top is heat resistant, but prolonged direct exposure to extreme heat sources should be avoided.
- **Outdoor Use:** This cart is designed for outdoor use. While durable, prolonged exposure to extreme weather

conditions may affect its lifespan. Consider storing indoors or covering when not in use.

- **Cleaning:** Use mild soap and water for cleaning. Avoid abrasive cleaners or harsh chemicals that may damage the finish or stainless steel.
- **Moving the Cart:** Always use the handle when moving the cart. Ensure all items are securely placed or removed before moving to prevent spills or falls.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Stainless Steel Tabletop
- Top Frame Assembly
- Middle Shelf
- Bottom Cabinet Frame
- Cabinet Doors (2)
- Side Panels (2)
- Back Panel
- Wheels/Casters (4, 2 with locks)
- Handle with Bottle Openers
- Spice Rack
- Assembly Hardware (screws, bolts, nuts, washers, Allen wrench)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Estimated Assembly Time: 45-60 minutes. Tools Required: Phillips head screwdriver (not included), included Allen wrench.

1. Step 1: Attach Casters to Base Frame

Carefully place the bottom cabinet frame upside down on a soft, non-abrasive surface. Attach the four casters to the designated holes on the bottom frame using the provided bolts and washers. Ensure the two lockable casters are installed on the same side for easier access.

FOUR 360° Rotating Lockable Casters

2. Step 2: Assemble Cabinet Structure

Attach the side panels and back panel to the bottom cabinet frame using the appropriate screws. Ensure all connections are secure but do not overtighten until all panels are in place. This forms the main body of the storage cabinet.

3. Step 3: Install Middle Shelf

Slide the middle shelf into the designated grooves or attach it to the support brackets within the cabinet structure. Secure it with screws if required. This shelf provides additional storage space.

4. Step 4: Attach Top Frame and Tabletop

Place the top frame assembly onto the cabinet structure, aligning the holes. Secure it with screws. Then, carefully place the stainless steel tabletop onto the top frame, ensuring it sits flush. Secure the tabletop to the frame using the provided hardware.

Image: Close-up of the stainless steel tabletop, emphasizing its quality and suitability for food preparation.

5. Step 5: Install Cabinet Doors

Attach the cabinet doors to the front of the cabinet using the hinges and screws. Ensure the doors open and close smoothly. Install the magnetic catches to ensure the doors remain securely closed.

Image: Detail of the double magnetic door mechanism, showing how it securely keeps the cabinet closed.

6. Step 6: Attach Handle and Spice Rack

Secure the handle to the side of the top frame using the provided screws. Attach the spice rack to its designated location, typically below the handle or on the side. The handle includes integrated bottle openers.

Image: Detail of the integrated spice rack, designed to keep seasonings and small items organized and within reach.

7. Step 7: Final Tightening and Inspection

Once all components are assembled, go back and tighten all screws and bolts. Do not overtighten. Ensure the cart is stable and all parts are securely connected. Wipe down the cart to remove any dust or debris from packaging.

OPERATING INSTRUCTIONS

The Feasto Outdoor Grill Cart is designed for versatile use in various outdoor and indoor settings.

- **Food Preparation Station:** Utilize the spacious stainless steel tabletop (32" x 18") for preparing food, holding ingredients, or as a serving area. The raised edge helps prevent items from falling off.
- **Grill or Pizza Oven Stand:** The sturdy tabletop is suitable for placing portable grills, griddles, or pizza ovens. Always ensure the appliance is stable and centered on the tabletop.
- **Storage Cabinet:** The 50-gallon cabinet provides ample space for storing propane tanks, BBQ tools, charcoal, or other outdoor essentials. The middle shelf can hold plates, cups, or additional supplies.
- **Mobility:** To move the cart, unlock the two lockable casters. Use the handle to push or pull the cart to your desired location. Once in place, engage the wheel locks to secure the cart and prevent unwanted movement.
- **Spice Rack and Bottle Openers:** Keep your favorite seasonings readily accessible on the built-in spice rack. The four integrated bottle openers on the handle and spice rack provide convenience during gatherings.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Feasto Outdoor Grill Cart.

- **Cleaning the Stainless Steel Tabletop:** Wipe the stainless steel surface with a soft cloth and mild dish soap and water after each use. For stubborn stains, use a stainless steel cleaner. Always wipe in the direction of the grain. Avoid steel wool or abrasive pads.
- **Cleaning the Metal Frame:** Clean the painted metal frame with a damp cloth and mild soap. Dry thoroughly to prevent rust.
- **Caster Maintenance:** Periodically check the wheels for debris (hair, lint, etc.) and clean as needed. Lubricate the swivel mechanisms with a silicone-based spray if they become stiff.
- **Hardware Check:** Every few months, inspect all screws and bolts to ensure they are tight. Retighten if necessary, but do not overtighten.

- **Storage:** While designed for outdoor use, storing the cart in a covered area or using a weather-resistant cover during prolonged periods of non-use or harsh weather will help protect it from the elements and extend its lifespan.

TROUBLESHOOTING

If you encounter any issues with your grill cart, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose hardware; uneven surface; wheels not locked.	Ensure all screws and bolts are tightened. Move the cart to a flat, level surface. Engage the wheel locks.
Wheels do not roll smoothly.	Debris caught in wheels; casters need lubrication.	Clean any debris from the wheels and axles. Apply a silicone-based lubricant to the swivel mechanisms.
Cabinet doors do not close properly.	Misaligned hinges; magnetic catches not aligned or damaged.	Check and adjust hinge alignment. Ensure magnetic catches are properly installed and aligned with the door plates.
Rust spots appear on metal parts.	Prolonged exposure to moisture; scratches in paint.	Clean rust spots with a rust remover (follow product instructions). Apply touch-up paint if necessary. Store in a dry area or use a cover.

If the problem persists or you encounter an issue not listed here, please contact Feasto customer support for assistance.
