Key Components:

- **Display:** 2.01-inch HD Retina IPS Touch Screen (240x240 resolution)
- **Sensors:** Heart rate sensor, Blood oxygen sensor, Accelerometer
- **Connectivity:** Bluetooth
- **Battery:** Lithium Ion (180 Amp Hours capacity)

4. SETUP

4.1 Initial Charging

Before first use, fully charge your H9 Pro Max Smartwatch. Connect the charging cable to the watch's charging port and a compatible USB power source. The watch will display a charging indicator.

4.2 App Installation and Pairing

To unlock the full functionality of your smartwatch, download and install the **LaxasFit** app on your smartphone. You can find the app by scanning the QR code provided in the user manual or searching in your device's app store.

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the LaxasFit app and follow the on-screen instructions to create an account or log in.
3. Select 'Add Device' or similar option within the app.
4. The app will search for your H9 Pro Max Smartwatch. Select it from the list of available devices.
5. Confirm the pairing request on both your smartwatch and smartphone.

5. OPERATING INSTRUCTIONS

5.1 Basic Navigation

The smartwatch is operated primarily via its touchscreen. Swipe left, right, up, or down to navigate through

menus and features. Press the side button to return to the home screen or access the app list.

5.4 Health Monitoring

The smartwatch tracks various health metrics:

- **Heart Rate:** Continuous or on-demand heart rate monitoring.
- **Blood Oxygen:** Measures blood oxygen saturation levels.
- **Sleep Monitoring:** Tracks sleep patterns and quality.
- **Blood Pressure:** Provides blood pressure readings.

Disclaimer: The health monitoring features are for general wellness and fitness purposes only and are not intended for medical diagnosis, treatment, or prevention of any disease. Consult a medical professional for any health concerns.

5.5 Multi-Sport Modes

Select from various sport modes to track your workouts accurately. Modes include outdoor running, walking, indoor cycling, indoor running, and free exercise.

5.6 Music Playback and Remote Camera Control

- **Music Control:** Control music playback on your connected smartphone (play, pause, skip tracks).

- **Remote Camera:** Use your smartwatch as a remote shutter button for your smartphone's camera.

6. Special Features

- **TWS Bluetooth Headset Pairing:** Connect your True Wireless Stereo (TWS) Bluetooth headsets directly to the smartwatch for an enhanced audio experience.
- **Customizable Watch Faces:** Personalize your smartwatch with a variety of watch faces available through the LaxasFit app.
- **OTA Firmware Updates:** Receive over-the-air (OTA) updates to keep your smartwatch software current with the latest features and improvements.
- **Global Weather Forecast:** Stay informed with accurate, up-to-date weather information displayed on your watch.

7. Maintenance

7.1 Cleaning

Wipe the smartwatch and band regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

7.2 Charging

Charge the device using the provided charging cable. Avoid using damaged cables or chargers. The average battery life is 3 years, with a charging time of approximately 90 hours for a full charge.

7.3 Water Resistance

Important: This smartwatch is **not water resistant**. Avoid exposure to water, including showering, swimming, or heavy rain, to prevent damage.

8. Troubleshooting

- **Device not turning on:** Ensure the device is fully charged.
- **Cannot pair with smartphone:** Check if Bluetooth is enabled on both devices and the LaxasFit app is open. Try restarting both the watch and phone.
- **Notifications not appearing:** Verify notification permissions in the LaxasFit app and your phone's settings.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist. Environmental factors and movement can affect readings.
