Aoxun 12'x10' Hardtop Gazebo Instruction Manual

Model: SG401BR09A-LH

Brand: Aoxun

1. PRODUCT OVERVIEW

The Aoxun 12'x10' Hardtop Gazebo is a permanent outdoor pavilion designed to enhance your garden, lawn, or patio space. It features a sturdy aluminum frame and a double-layer polycarbonate roof, providing protection from harmful UV rays while allowing for air circulation. The gazebo includes removable curtains and netting for privacy and insect protection, making it suitable for various outdoor activities and weather conditions.

Key features include:

- Double-layer polycarbonate top for UV protection and air circulation.
- Sturdy powder-coated aluminum frame resistant to scratching, peeling, corrosion, and rust.
- Removable polyester curtains for privacy and weather protection.
- Inner netting with zipper to prevent mosquitoes and ensure ventilation.
- Integrated hooks for hanging fans, lights, and decorations.
- Spacious design suitable for multiple people and various outdoor events.

2. SETUP AND ASSEMBLY

Assembly of the Aoxun Hardtop Gazebo typically requires 2-3 people and can take approximately 2-3 hours. All parts are clearly numbered for quick identification. Detailed and illustrated instructions are provided in the packaging to guide you through the process.

2.1 Pre-Assembly Checklist

- Verify all parts are present and undamaged by comparing with the parts list in the manual.
- Ensure you have adequate space for assembly.
- Gather necessary tools (basic tools are included, but a drill may be helpful for securing to concrete).
- Have at least two additional people available to assist with lifting and securing larger components.

2.2 Assembly Tips

- Follow the numbered steps in the provided instruction manual precisely.
- Do not fully tighten all screws until the entire frame is assembled to allow for minor adjustments.
- For roof panel installation, ensure proper alignment to prevent leaks.
- When used on grass, it needs to be fixed with ground spikes + wind rope (provided). For concrete surfaces, concrete bolts are recommended for secure installation.

3. OPERATING INSTRUCTIONS

The Aoxun Hardtop Gazebo is designed for versatile outdoor use, offering comfort and protection in various settings.

3.1 Curtains and Netting

- The gazebo comes with removable polyester curtains for privacy and protection from light rain or wind.
- Inner netting with zippers provides effective protection against mosquitoes and other insects while allowing for air circulation.
- Both curtains and netting can be easily opened, half-closed, or fully closed depending on your needs for ventilation, insect protection, or privacy.

Polycarbonate Board

- Lightweight
- Waterproof
- Anti-aging
- Light transmission
- 99%UV-resistant
- Does not fade

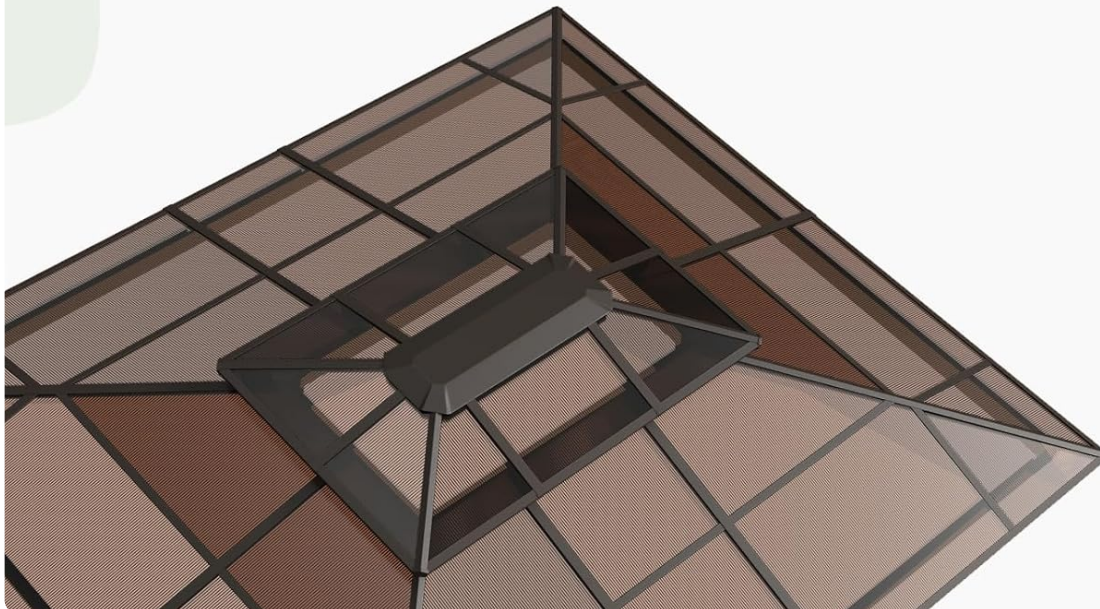

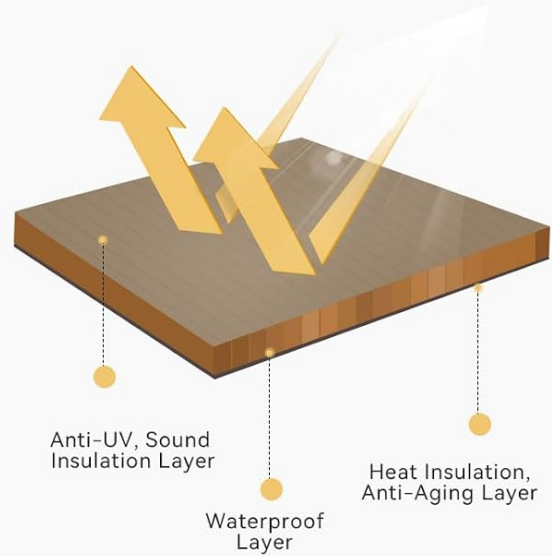

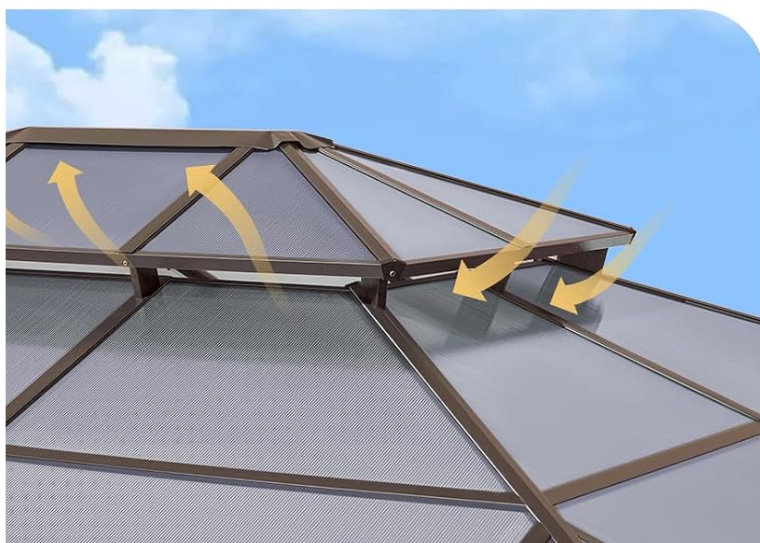

Figure 3.1: The double roof design ensures air ventilation and features a water gutter system for smooth drainage, preventing water accumulation.

3.2 Integrated Hooks

- The roof structure includes three hooks designed for hanging items such as fans, lights, or decorative elements.
- Ensure that any hung items do not exceed the weight capacity of the hooks to prevent damage.

4. MAINTENANCE

Regular maintenance will extend the lifespan and preserve the appearance of your Aoxun Hardtop Gazebo.

4.1 Frame Care

- Clean the aluminum frame periodically with a mild soap and water solution. Rinse thoroughly with clean water and dry with a soft cloth to prevent water spots.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the powder-coated finish.
- Inspect the frame for any loose bolts or connections annually and tighten as necessary.

4.2 Roof Panel Care

- The polycarbonate roof panels are designed to be durable and UV-resistant. Clean them with a soft cloth, mild soap, and water.
- Avoid walking or placing heavy objects on the roof panels.

- Regularly clear any debris, leaves, or snow accumulation from the roof to prevent excessive weight and potential damage.

4.3 Fabric Care (Curtains & Netting)

- The polyester curtains and netting can be removed for cleaning. Hand wash with mild soap and cold water, or machine wash on a gentle cycle.
- Air dry completely before reattaching to prevent mildew.
- Store curtains and netting indoors during extreme weather conditions or off-season to prolong their life.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your gazebo.

Problem	Possible Cause	Solution
Water Leakage from Roof	Improperly installed or misaligned roof panels.	Ensure all roof panels are correctly seated in their channels and all screws are tightened. Check for any gaps and apply silicone sealant if necessary.
Gazebo Instability/Wobbling	Loose frame connections or inadequate anchoring.	Verify all bolts and screws throughout the frame are securely tightened. Ensure the gazebo is properly anchored to the ground using the provided spikes or concrete bolts.
Curtains/Netting Not Sliding Smoothly	Debris in the tracks or damaged hooks.	Clean the curtain and netting tracks to remove any dirt or obstructions. Check hooks for damage and replace if necessary.
Damaged or Warped Parts upon Arrival	Shipping damage or manufacturing defect.	Contact Aoxun customer support immediately with details and photos of the damaged parts for replacement.

7. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use of your gazebo:

- **Anchoring:** Always secure the gazebo to the ground using the provided ground spikes and wind rope when using it on grass or other soft surfaces to prevent it from moving or tipping over. For concrete, use appropriate concrete bolts.
- **Weather Conditions:** While designed for all-weather use, it is advisable to take down curtains and netting during strong winds or severe storms to prevent damage. Clear heavy snow accumulation from the roof.
- **Assembly Safety:** Always use proper safety equipment during assembly, such as gloves and eye protection. Ensure the assembly area is clear of obstructions.
- **Weight Limits:** Do not exceed the recommended weight limits for hanging items on the integrated hooks.
- **Children and Pets:** Supervise children and pets around the gazebo, especially during assembly or in windy conditions.

Figure 7.1: The gazebo is built for all-weather use, offering UV protection, waterproofing, and snow resistance.

8. WARRANTY AND SUPPORT

Aoxun is committed to providing quality products and excellent customer service.

8.1 Returns and Protection Plans

- This product is eligible for 30-day easy returns.
- Optional 2-Year and 3-Year Protection Plans are available for purchase to cover potential damages or defects beyond the standard return period.

8.2 Customer Support

For any questions, concerns, or assistance with your Aoxun Hardtop Gazebo, please contact Aoxun customer support. They are dedicated to creating a new outdoor life for customers and are available to help with product inquiries, missing parts, or assembly guidance.
