

FLMWQ

Generic 3-in-1 Full Length Mirror with Coat Rack and Storage Basket (Model FLMWQ) Instruction Manual

Model: FLMWQ | Brand: Generic

1. PRODUCT OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of your Generic 3-in-1 Full Length Mirror. This versatile product combines a full-length mirror with a coat rack and a storage basket, designed for convenience and functionality in various living spaces.

Key features include a 360° swivel design for easy movement and positioning, a high-definition explosion-proof mirror, and integrated storage solutions.

2. PACKAGE CONTENTS

Before assembly, please ensure all components are present and undamaged. The package should contain:

- 1 x Full Length Mirror unit (including mirror, frame, coat rack, storage basket, and wheels)
- Assembly hardware (screws, wrench, etc. - specific items may vary)
- Instruction leaflet (this document)

Image 2.1: Exploded view of the mirror highlighting its main components: hooks, hanger rod, storage basket, mirror panel, and wheels.

3. SAFETY INFORMATION

- Always handle the mirror with care to prevent breakage.
- Ensure all assembly hardware is securely tightened before use.
- Do not overload the coat rack or storage basket beyond recommended weight limits (refer to specifications).
- Keep children and pets away during assembly.
- The mirror features an explosion-proof design, meaning it will not scatter sharp fragments if broken. However, exercise caution.

HD Full Length Mirror

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow these general steps. Refer to the specific assembly diagram included in your package for detailed instructions.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Wheels:** Securely attach the 360° universal wheels to the base of the mirror unit using the provided screws.
3. **Assemble Frame:** Connect the mirror frame components as per the diagram. Ensure all connections are firm.
4. **Install Mirror Panel:** Carefully insert the mirror panel into the frame.
5. **Attach Coat Rack and Basket:** Secure the metal hanging rod, hooks, and storage basket to the designated areas on the back of the mirror frame.
6. **Final Check:** Verify that all screws are tightened and the unit is stable before use.

5. OPERATING INSTRUCTIONS

5.1 Using the Full Length Mirror

The high-definition mirror provides a clear reflection for checking your attire. Its full-length design allows for a complete view.

5.2 Utilizing the 360° Swivel and Mobility

The mirror is equipped with 360° universal wheels, allowing it to be easily moved and rotated to any desired position within your room. Gently push or pull the mirror to relocate it. The wheels are designed to move smoothly without damaging floor surfaces.

5.3 Using the Coat Rack and Storage Basket

- **Hooks:** Use the integrated hooks to hang items such as hats, scarves, bags, or other accessories.
- **Hanging Rod:** The metal hanging rod is suitable for daily clothes, jackets, or shirts.
- **Storage Basket:** The perforated metal basket at the base can be used to store various items like books, magazines, small accessories, or even dirty laundry.

6. MAINTENANCE AND CARE

- **Mirror Cleaning:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surface. Avoid abrasive cleaners or materials that could scratch the mirror.
- **Frame and Metal Parts:** Wipe the metal frame, coat rack, and storage basket with a damp cloth and mild detergent if necessary. Dry immediately to prevent water spots. The metal parts are designed to be rust-proof.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals or solvents on any part of the mirror unit.

Image 6.1: Details on the robust metal construction, highlighting the 15kg load-bearing capacity of the coat rack and the waterproof, rust-proof nature of the metal basket.

7. TROUBLESHOOTING

- **Mirror is unstable:** Ensure all assembly screws are fully tightened. Check that the wheels are securely attached and functioning correctly.
- **Wheels not rolling smoothly:** Check for any debris or obstructions in the wheels. Clean if necessary. Ensure the floor surface is clear.
- **Mirror reflection is distorted:** Ensure the mirror surface is clean and free from smudges. If distortion persists, contact customer support.
- **Coat rack or basket seems loose:** Re-tighten any screws connecting these components to the main frame. Avoid overloading.
