This image shows the complete Feasto Outdoor Grill Cart, highlighting its stainless steel tabletop, storage cabinet, and wheels. The cart is brown with black handles and wheels.

SAFETY INFORMATION

Always follow basic safety precautions when using this product to reduce the risk of injury or damage.

- Ensure all parts are securely fastened before use.
- Do not overload the cart; maximum weight capacity is 200 pounds.
- Use on a flat, stable surface to prevent tipping.
- Lock wheels when the cart is stationary to prevent accidental movement.
- Keep children and pets away from the cart during assembly and use.
- Avoid placing hot items directly on the stainless steel tabletop without proper heat protection.

PARTS LIST

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, contact customer support.

SETUP AND ASSEMBLY

Assembly typically takes about an hour with two people. Follow the steps below for proper setup.

Step 1: Attach Casters to Base

Secure the four 360° rotating casters to the bottom panel of the cart using the provided screws. Ensure two casters have locking mechanisms and are placed on the same side for easy access.

Figure 2: Grill Cart with Storage Cabinet Open. This image illustrates the spacious interior of the storage cabinet, capable of holding items like a propane tank, paper towels, and bottled beverages.

Step 2: Assemble Frame and Shelves

Attach the vertical support beams to the base. Then, install the middle shelf and the top frame. Ensure all connections are tight for stability.

Product Dimension

Figure 3: Product Dimensions. This diagram provides key measurements of the grill cart, including its 40" width, 18" depth, and 34.6" height, with a 32" x 18" tabletop.

Step 3: Install Stainless Steel Tabletop

Carefully place the stainless steel tabletop onto the top frame and secure it with the designated hardware. The raised edge should face outwards to prevent items from falling.

OPERATING INSTRUCTIONS

Placement and Stability

Position the grill cart on a flat, level surface. Engage the locking mechanisms on the casters to prevent unintended movement, especially when preparing food or operating appliances on the tabletop.

Storage and Organization

Utilize the 50-gallon cabinet for larger items like propane tanks or grilling accessories. The open middle shelf is suitable for plates, cups, or food items. The integrated spice rack keeps frequently used seasonings within easy reach.

Versatile Use

This cart is designed for multi-functional use. It can serve as a BBQ station for griddles or pizza ovens, an indoor kitchen

island for food prep, or a convenient dining station for outdoor gatherings.

Figure 7: Outdoor Gathering Use. This image shows the grill cart being used as a food preparation and serving station during an outdoor gathering, demonstrating its practical application.

MAINTENANCE

Cleaning the Stainless Steel Tabletop

The stainless steel tabletop is rust-resistant and stain-resistant. Clean with a soft cloth and mild soap and water. Avoid abrasive cleaners or scouring pads that could scratch the surface. Dry thoroughly after cleaning to prevent water spots.

Frame and Cabinet Care

Wipe down the metal frame and cabinet panels with a damp cloth. For stubborn dirt, use a mild detergent. Ensure the cart is dry before storing, especially if stored outdoors, to prevent rust or corrosion.

Caster Maintenance

Periodically check the casters for debris (hair, lint, etc.) that might impede smooth rotation. Clean as needed. Ensure the

locking mechanisms are functioning correctly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose screws or uneven surface.	Check and tighten all assembly screws. Move the cart to a flat, level surface.
Wheels do not roll smoothly.	Debris caught in casters or locked wheels.	Clear any debris from the casters. Ensure locking mechanisms are disengaged.
Cabinet doors do not close properly.	Misaligned hinges or magnetic latches.	Adjust hinges if possible. Ensure magnetic latches are securely attached and aligned with the strike plates.
Missing parts after unboxing.	Packaging error or lost during transit.	Contact Feasto customer support with your purchase details.
