SETUP AND ASSEMBLY

Assembly is required for this dresser. Please follow the included assembly guide carefully. It is recommended to have two people for assembly to ensure safety and ease of construction. Ensure all parts are present before beginning assembly.

- 1. Unpack Components:** Carefully unpack all parts and hardware from the packaging. Place them on a soft, clean surface to prevent scratches.
- 2. Identify Parts:** Refer to the parts list in your assembly guide to identify each component. Note that some drawer components may be specific to certain positions; verify their placement as indicated in the guide.
- 3. Assemble Frame:** Begin by assembling the main frame of the dresser according to the step-by-step instructions. Ensure all connections are secure.
- 4. Install Drawer Glides:** Attach the precision drawer glides to the dresser frame and drawer sides as specified. Ensure they are aligned correctly for smooth operation.

5. **Assemble Drawers:** Construct each of the six drawers. Pay close attention to the orientation of drawer panels and the attachment of handles.
6. **Insert Drawers:** Carefully insert the assembled drawers into the dresser frame. If a drawer does not fit smoothly, re-check the assembly guide for specific drawer placement or glide alignment.
7. **Final Check:** Verify that all screws and fasteners are tightened, and the dresser is stable.

For optimal stability and safety, place the dresser on a level surface. The top surface has a weight capacity of 100 lbs, and each drawer can hold up to 22 lbs. Do not exceed these limits.

OPERATING INSTRUCTIONS

The JOINICE dresser is designed for straightforward use and efficient storage.

- **Drawer Operation:** Each of the six drawers is equipped with precision glides for smooth and effortless opening and closing. Use the heavy metal handles to pull and push the drawers.

- **Storage Capacity:** Utilize the generously proportioned drawers for organizing various items such as clothing, linens, or personal belongings. Avoid overloading drawers beyond the 22 lbs capacity per drawer to ensure longevity of the glides and structural integrity.
- **Safety Features:** The dresser features rounded safety edges, a thoughtful design for households with children. Always ensure drawers are fully closed when not in use to prevent accidental tipping.

MAINTENANCE AND CARE

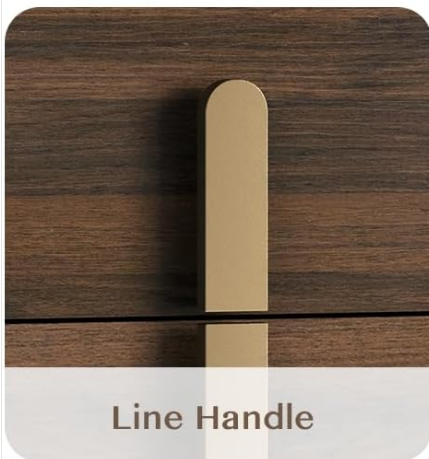

Proper care will help maintain the appearance and functionality of your JOINICE dresser for years to come.

- **Cleaning:** Clean the dresser surfaces with a soft, dry cloth. For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** The laminated surfaces are water-resistant. Wipe up spills immediately to prevent moisture from penetrating the material.

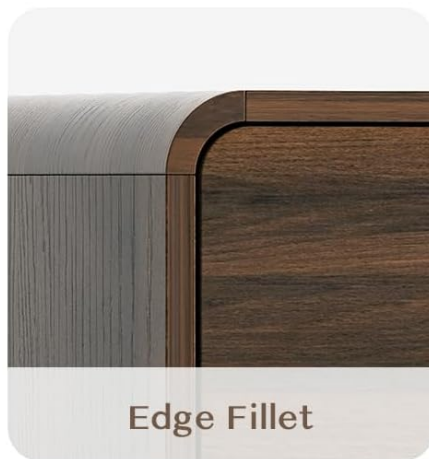

- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Loose hardware can affect the dresser's stability and drawer operation.
- **Environmental Conditions:** Avoid placing the dresser in direct sunlight or near heat sources, which can cause fading or warping. Maintain a stable room temperature and humidity.

TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Drawers Not Closing/Opening Smoothly:**
 - Ensure the drawer glides are properly aligned and securely attached to both the drawer and the dresser frame.
 - Verify that the drawers are inserted into their correct positions, as some drawers may be specific to certain slots. Refer to your assembly guide.
 - Check for any obstructions within the drawer or on the glides.

• **Dresser Wobbles/Unstable:**

- Confirm that the dresser is placed on a completely level surface.
- Tighten all assembly screws and fasteners. Do not overtighten.
- Ensure all legs are making firm contact with the floor.

• **Missing Parts or Damaged Components:**

- Before assembly, carefully check all contents against the parts list in your assembly guide.
- If any parts are missing or damaged upon arrival, contact JOINICE customer support immediately for assistance.
