- **Unpack Carefully:** The desk arrives in two separate packages. Open all packages and lay out all components on a soft, clean surface to prevent scratches.
- **Verify Parts:** Compare all parts and hardware with the included parts list in your packaging. Contact customer support immediately if any parts are missing or damaged.
- **Gather Tools:** Ensure you have a screwdriver ready.

### 5.2. Assembly Steps (General Guidelines)

Follow the step-by-step instructions provided in the separate assembly manual included with your product. The general sequence involves:

2. Attach the hutch to the main desk structure.
3. Install the drawers and drawer slides. Ensure smooth operation.
4. Integrate the power outlet unit into the designated slot.
