IMPORTANT SAFETY INFORMATION

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and injury to persons. This includes, but is not limited to:

- Ensure the AC is installed by qualified personnel.
- Do not operate the AC with wet hands.
- Do not insert objects into the air outlet.
- Disconnect power before cleaning or maintenance.
- Keep children away from the unit.

SETUP AND INSTALLATION

Your Godrej Inverter Split AC requires professional installation. The package includes the following components:

- 1 Indoor Unit (IDU)

- 1 Outdoor Unit (ODU)
- Interconnecting cable (3.5 meters)
- Interconnecting copper pipe (3 meters)
- 1 Remote control
- User Manual (this document)
- Warranty Card

For detailed installation instructions, please refer to the separate installation guide provided by the service technician or access the user manual from the brand website.

OPERATING INSTRUCTIONS

5-in-1 Convertible Cooling

Your Godrej Inverter Split AC features a 5-in-1 convertible cooling mode, allowing you to adjust the cooling capacity from 40% to 110% based on your needs. This feature helps optimize energy consumption.

- **Mode 1:** Operates at 40% capacity.
- **Mode 2:** Operates at 60% capacity.
- **Mode 3:** Operates at 80% capacity.
- **Mode 4:** Operates at 100% capacity.
- **Mode 5:** Operates at 110% capacity for heavy duty cooling.

i-Sense Technology

The i-Sense technology utilizes a sensor in the remote control to detect the ambient temperature around you. The air conditioner then adjusts its operation to match the set temperature with your location, ensuring optimal comfort.

Heavy Duty Cooling

This AC is designed for heavy-duty cooling, capable of chilling effectively even when ambient temperatures reach up to 52°C.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your AC unit.

Anti-Microbial Self Clean Technology

The self-clean technology helps eliminate moisture and prevents microbe growth within the AC unit, delivering hygienic cooling and reducing the need for frequent manual cleaning of internal components.

Pure Air Filter

The integrated pure air filter removes dander, dust particles, and odors, contributing to cleaner indoor air quality. Regular cleaning or replacement of the filter is recommended for best performance.

Pure air filter

Removes dander, dust particles & odour providing a cleaner air.

Anti-Freeze Thermostat

The anti-freeze thermostat protects the compressor by preventing ice formation on the evaporator coils, ensuring consistent performance and extending the unit's lifespan.

Image: A close-up view of the anti-freeze thermostat component within the AC, which prevents ice buildup.

TROUBLESHOOTING

Your AC is equipped with a self-diagnosis feature that can alert you to potential issues, enabling quicker resolution. If an error code appears on the display, refer to the full user manual on the brand website or contact customer support.

Image: The AC displaying an error code, indicating its self-diagnosis capability for quick issue identification.

Common issues and their potential solutions:

- **AC not turning on:** Check power supply, remote batteries, and circuit breaker.
- **Insufficient cooling:** Ensure doors/windows are closed, clean air filters, check for obstructions in outdoor unit.
- **Unusual noise:** Verify proper installation, check for loose parts or debris in the unit.

For complex issues, it is recommended to contact authorized service personnel.

TECHNICAL SPECIFICATIONS

Feature	Specification
Brand	Godrej
Model	AC1.5T EI 18P3T WZT 3S
Capacity	1.5 Tons
Energy Efficiency (ISEER)	4.1
Annual Energy Consumption	951.91 Kilowatt Hours Per Year
Noise Level	36 Decibels
Installation Type	Split System
Refrigerant Gas	R32 (Environmental friendly)
Condenser Coil	100% Copper with Hydrophilic Blue Fins
Indoor Unit Dimensions (LxWxH)	93 x 32 x 24 cm
Outdoor Unit Dimensions (LxWxH)	71.5 x 49 x 24 cm
Indoor Unit Weight	11.2 Kgs
Outdoor Unit Weight	20.6 Kgs

Voltage	230 Volts
Wattage	1630 Watts
Special Features	5-in-1 convertible, Pure air filter, Self clean technology, Self diagnosis, i-sense technology
