Mega Bloks First Builders Block Scooping Pull Wagon (Model JLG81) Instruction Manual

This manual provides essential information for the assembly, operation, and maintenance of your Mega Bloks First Builders Block Scooping Pull Wagon.

1. INTRODUCTION

The Mega Bloks First Builders Block Scooping Pull Wagon is designed to encourage toddlers aged 12 months and up in building and active play. This red wagon features a unique block-scooping mechanism and built-in storage, making cleanup an interactive part of playtime. It includes 20 large building blocks compatible with other Mega Bloks First Builders sets.

2. WHAT'S IN THE BOX

Upon opening the package, verify that all components are present and undamaged. The Mega Bloks First Builders Block Scooping Pull Wagon package contains:

- 1 x Red Pull Wagon with integrated scooping mechanism and handle.
- 20 x Large, colorful Mega Bloks building blocks.

Image 2.1: The Mega Bloks Block Scooping Pull Wagon as packaged, showing the included blocks and key features.

3. SETUP

The Mega Bloks First Builders Block Scooping Pull Wagon typically comes pre-assembled. No complex assembly is required. Simply remove the wagon and blocks from their packaging. Ensure the pull handle is securely attached and in the upright position for pulling or folded down for storage.

1. Carefully remove all packaging materials and dispose of them properly.
2. Inspect the wagon and blocks for any signs of damage. If any parts are damaged, do not use the product and

contact customer support.

3. Ensure the pull handle is fully extended and locked into place for use, or folded down for compact storage.

4. OPERATING INSTRUCTIONS

4.1. Scooping Blocks

The wagon is designed to pick up blocks as it is pulled or pushed over them. Spread the Mega Bloks on a flat, hard surface. Pull or push the wagon over the blocks, and the rotating mechanism at the front will scoop them into the wagon's storage compartment.

Pull to pick up blocks

Image 4.2: Detailed view of the scooping mechanism as it engages with blocks.

4.2. Building with Blocks

The included Mega Bloks can be used to build various structures. The wagon's handle also features studs where blocks can be attached, allowing for creative building directly on the wagon.

Build on the handle

Image 4.3: A child building with blocks on the wagon's handle, showcasing an additional play feature.

4.3. Storage

After playtime, all 20 blocks can be stored inside the wagon's main compartment. This feature promotes organization and easy cleanup.

5. MAINTENANCE

To ensure the longevity and hygiene of your Mega Bloks First Builders Block Scooping Pull Wagon, follow these maintenance guidelines:

- **Cleaning:** Wipe the wagon and blocks with a damp cloth and mild soap. Rinse thoroughly with water and allow to air dry completely before storage. Do not immerse the entire wagon in water.
- **Storage:** Store the wagon and blocks in a clean, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check the wheels, handle, and scooping mechanism for any signs of wear or damage.

6. TROUBLESHOOTING

If you encounter any issues with your Mega Bloks First Builders Block Scooping Pull Wagon, refer to the following common solutions:

- **Blocks not scooping effectively:**
 - Ensure the blocks are spread out on a flat, hard surface. The scooping mechanism works best on smooth floors, not thick carpets.
 - Verify that the wagon is being pushed or pulled directly over the blocks.
 - Check for any obstructions in the scooping mechanism.
- **Wagon not rolling smoothly:**
 - Inspect the wheels for any debris (hair, string, etc.) that might be hindering movement.
 - Ensure the axles are not bent or damaged.

7. SPECIFICATIONS

Feature	Detail
Product Dimensions	16 x 11.5 x 10.5 inches
Item Weight	1.94 pounds
Model Number	JLG81
Manufacturer Recommended Age	12 months and up
Release Date	June 1, 2025
Manufacturer	Mattel

8. SAFETY INFORMATION

Please read and retain these safety instructions for future reference. Adult supervision is recommended during play.

- Ensure all parts are securely attached before each use.
- Do not allow children to stand or ride in the wagon. It is designed for pulling and pushing blocks only.

- Keep away from stairs, steps, and uneven surfaces to prevent falls.
- Regularly inspect the product for any broken or loose parts that could pose a choking hazard or injury risk. Discontinue use if damage is found.
- This toy is intended for children aged 12 months and up.

9. WARRANTY AND SUPPORT

For warranty information or customer support regarding your Mega Bloks First Builders Block Scooping Pull Wagon, please refer to the contact details provided on the product packaging or visit the official Mega Bloks website. Keep your purchase receipt as proof of purchase.
