

## GOFEI 1

# GOFEI Baby Changing Table Dresser

## MODEL: 1

Brand: GOFEI

### INTRODUCTION

---

This manual provides essential information for the safe assembly, operation, and maintenance of your GOFEI Baby Changing Table Dresser. Designed with a wide tabletop, three drawers, and open storage space, this unit serves as both a functional changing station and a versatile dresser, suitable for baby bedrooms and nurseries.

Please read all instructions carefully before assembly and use to ensure proper function and safety.

### SAFETY INFORMATION

---

- Always keep one hand on your baby while they are on the changing table. Never leave a baby unattended.
- Ensure all assembly hardware is securely tightened before use. Regularly check for loose hardware and tighten as needed.
- The changing table is constructed from medium-density fiberboard (MDF) with a laminated surface, ensuring stability and durability.
- The design includes safe rails around the changing surface to help prevent falls.
- Do not place the changing table near windows, cords, or other hazards.
- Maximum weight capacity for the changing surface is 300 lbs (Panel Bearing).

### PRODUCT FEATURES

---

- **Ample Storage:** Features three spacious drawers and open storage space, ideal for organizing diapers, wipes, clothing, and other baby essentials. The open shelf design provides convenient access to frequently used items.
- **Sturdy and Durable Materials:** Constructed from high-quality medium-density fiberboard (MDF) with a safe, durable, and stylish laminated surface. Each leg is solid and stable for enhanced safety.
- **Perfect Size:** Dimensions are 20.08 inches (D) x 34.25 inches (W) x 35.43 inches (H), designed to fit seamlessly into various home spaces.

- **Versatile Design:** Functions as a baby changing table and a dresser, transitioning with your child from infancy to childhood.
- **Easy to Assemble:** Includes all necessary hardware and clear instructions for straightforward assembly.

## ASSEMBLY INSTRUCTIONS

Your GOFEI Baby Changing Table Dresser comes with a detailed assembly manual and all necessary hardware. Please follow these general steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Identify all hardware and tools required for assembly.
3. Follow the step-by-step diagrams and instructions provided in the separate assembly guide.
4. Ensure all screws and fasteners are securely tightened. Do not overtighten.
5. Place the unit on a flat, stable surface before use.

For specific assembly details, refer to the dedicated assembly instructions included in your product packaging.

## OPERATING INSTRUCTIONS

- **Changing Surface:** Place a changing pad (not included) on the wide tabletop. Always use the safety rails to help contain the baby.

- **Drawers:** The three drawers provide enclosed storage for clothing, diapers, or other items. Pull gently to open and push firmly to close.
- **Open Storage Space:** Utilize the open shelves for quick access to frequently used items like wipes, lotions, or small toys.
- **Side Cabinet:** The side cabinet offers additional enclosed storage, often with adjustable shelves for flexible organization.

## MAINTENANCE AND CARE

---

- **Cleaning:** The laminated surface can be easily cleaned with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically inspect the changing table dresser for any signs of wear, damage, or loose hardware. Address any issues promptly.
- **Moving:** When moving the unit, lift it rather than dragging to prevent damage to the legs and structure.
