Giantex GX10870DK-T-HU

Giantex Twin Over Twin Metal Bunk Bed Instruction Manual

Model: **GX10870DK-T-HU** | Brand: **Giantex**

INTRODUCTION

This manual provides detailed instructions for the assembly, safe operation, and maintenance of your Giantex Twin Over Twin Metal Bunk Bed. Please read all instructions carefully before assembly and use to ensure proper setup and safety.

SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in serious injury.

- Always use the built-in ladder to climb up and down.
- Do not allow children to play or climb on the guardrails.
- This bunk bed has a weight capacity of 400 lbs (181 kg) per bed. Do not exceed this weight limit.
- Always follow the assembly instructions carefully to ensure the stability and safety of the bunk bed.
- Ensure all connections are tight before use and check periodically.
- Only use mattresses that comply with the recommended thickness of 6 inches.

SETUP AND ASSEMBLY

Your Giantex Twin Over Twin Metal Bunk Bed is designed for easy assembly. All necessary parts and an installation manual are included. No box spring is required for this bed frame.

Before You Begin:

- Clear a spacious area for assembly.
- Verify all components are present by checking against the parts list in the included manual.
- Keep children and pets away from the assembly area.

Assembly Steps:

1. Follow the step-by-step instructions provided in the separate installation manual.
2. Ensure all bolts and screws are securely tightened, but do not overtighten until the frame is fully assembled.
3. Once the frame is complete, re-check all connections and tighten them firmly.
4. Install the metal slats evenly across both bed frames.

OPERATING AND USAGE

The Giantex Twin Over Twin Metal Bunk Bed is designed for efficient space utilization and safe sleeping arrangements.

Key Features:

- **Twin Over Twin Configuration:** Provides two sleeping surfaces in the footprint of a single bed, ideal for kids' rooms, guest rooms, or shared spaces.
- **Integrated Ladder:** A built-in ladder ensures safe and easy access to the upper bunk.
- **Upper Guardrails:** 14-inch high guardrails on the upper bunk provide essential safety to prevent falls.
- **Under-Bed Clearance:** Features 10 inches of clearance beneath the lower bunk, offering convenient storage space or compatibility with a trundle bed (not included).
- **No Box Spring Needed:** The sturdy metal slat system eliminates the need for a box spring, supporting mattresses directly.

MAINTENANCE

Regular maintenance will help prolong the life and ensure the safety of your bunk bed.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the powder-coated finish.
- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Inspection:** Inspect the bed frame for any signs of wear, damage, or rust. Address any issues promptly to prevent further deterioration.

TROUBLESHOOTING

If you encounter any issues with your bunk bed, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all bolts and screws on the frame. Ensure the slats are properly seated.

- **Instability/Wobbling:** This is typically due to uneven assembly or loose hardware. Disassemble and reassemble if necessary, ensuring all parts are correctly aligned and tightened. Verify the bed is on a level surface.
- **Missing Parts:** If you find any parts missing during assembly, refer to the included parts list and contact customer support for assistance.

SPECIFICATIONS

Feature	Detail
Model Number	GX10870DK-T-HU
Configuration	Twin Over Twin
Material	Metal (Powder Coated Finish)
Color	Black
Product Dimensions (L x W x H)	198.1 cm x 106.7 cm x 152.4 cm (78" x 42" x 60")
