### 3. PRODUCT OVERVIEW

The VOLT PLUS TECH XG01 earbuds feature Bluetooth V5.3 technology for a stable connection and low power consumption. They are designed for comfort and provide clear audio with noise isolation. The included charging case extends usage time significantly.

#### Key Features:

- **Bluetooth V5.3:** Ensures a stable and efficient wireless connection.

- **Noise Isolation:** Delivers high-quality sound and clear communication.
- **Touch Controls:** Manage music playback, calls, and voice assistants with simple taps.
- **Extended Battery Life:** Up to 24 hours of total playback with the charging case.
- **IPX4 Water Resistance:** Provides protection against sweat and light splashes.
- **Wide Compatibility:** Works with most Bluetooth-enabled devices (version 4.0 and above), including Android, iOS, Mac, and Windows systems.

## 4. SETUP

### 4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case acts as a power bank for your earbuds, providing multiple recharges on the go.

1. **Charging the Case:** Connect the provided USB-C charging cable to the charging port on the case and plug the other end into a USB power source (e.g., wall adapter, computer USB port). The indicator lights on the case will show the charging status.
2. **Charging the Earbuds:** Place the earbuds into their respective slots in the charging case. Ensure they are properly seated. The earbuds will automatically begin charging. Indicator lights on the earbuds or

case will confirm charging.

Image 4.1: The charging case provides portable power for your earbuds.

Image 4.2: The charging case extends the total playback time to up to 24 hours.

## 4.2 Pairing with Your Device

Follow these steps to pair your earbuds with a Bluetooth-enabled device:

- Power On:** Remove both earbuds from the charging case. They will automatically power on, and a blue light will indicate this.
- Automatic Sync:** Wait for the voice prompt "Pairing, Left Channel, Right Channel." This confirms that the two earbuds have successfully synced with each other.
- Activate Bluetooth:** On your device (smartphone, tablet, computer), go to the Bluetooth settings and ensure Bluetooth is enabled.
- Search for Device:** In the list of available Bluetooth devices, search for "XG01" or a similar name.
- Connect:** Select "XG01" to connect. Both earbuds will flash blue approximately every 8 seconds, indicating a successful connection.

Once paired, the earbuds will automatically connect to the last paired device when removed from the case, provided Bluetooth is active on the device.

## 5. OPERATING INSTRUCTIONS

### 5.1 Touch Controls

The earbuds feature multi-functional touch/tap buttons on both earbuds for easy control:

- **Play/Pause Music:** Single tap on either earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Activate Voice Assistant (Siri, Google Assistant, Alexa):** Triple tap on either earbud.

## 5.2 Power On/Off

- **Power On:** Remove earbuds from the charging case.
- **Power Off:** Place earbuds back into the charging case. They will automatically disconnect and begin charging.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove and clean the ear tips periodically to prevent wax buildup. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Extreme Conditions:** Do not expose the earbuds or case to extreme temperatures, humidity, or direct sunlight for extended periods.
- **Water Resistance:** While the earbuds are IPX4 water-resistant (sweat and splash proof), they are not waterproof. Do not submerge them in water.

## 7. TROUBLESHOOTING

If you encounter issues with your earbuds, please refer to the following common solutions:

- **Earbuds not pairing with each other:** Place both earbuds back into the charging case, then remove them simultaneously. They should automatically sync.
- **Earbuds not connecting to device:**
  - a. Ensure Bluetooth is enabled on your device.
  - b. Check if the earbuds are charged.
  - c. Forget the device "XG01" from your device's Bluetooth list and attempt to pair again.
  - d. Restart your device.
- **No sound from one earbud:**
  - a. Ensure both earbuds are charged.
  - b. Place both earbuds back in the case and then remove them to re-establish the connection between them.
- **Charging issues:**
  - a. Ensure the charging cable is securely connected to both the case and the power source.

- b. Try a different USB-C cable or power adapter.
- c. Clean the charging contacts on the earbuds and inside the case with a dry cotton swab.

If these steps do not resolve your issue, please contact customer support.
