## 1. Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).
3. The indicator lights on the case will show the charging status. Refer to the case's specific light indicators for full charge notification.
4. Once fully charged, disconnect the charging cable. The case provides approximately 3 full charges for the earbuds.

## 2. Pairing with Your Device

Follow these steps to pair your earbuds with a Bluetooth-enabled device.

1. Ensure the earbuds are charged and inside the charging case.
2. Open the charging case lid. The earbuds will automatically enter pairing mode, and their indicator lights will flash (refer to product for specific light patterns).
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.
4. Search for new devices. You should see "BYTECH Earbuds" or a similar name appear in the list of available devices.
5. Select the earbuds from the list to connect. Once connected, the earbud indicator lights will stop flashing, and your device may confirm the connection.
6. If pairing fails, turn off Bluetooth on your device, place the earbuds back in the case, close the lid, wait a few seconds, and then repeat the pairing process.

## OPERATING INSTRUCTIONS

Your earbuds feature touch controls for various functions.

Function	Action
Play/Pause Music	Single tap on either earbud.
Next Track	Double tap on the right earbud.
Previous Track	Double tap on the left earbud.
Answer/End Call	Single tap on either earbud during an incoming call or active call.
Reject Call	Press and hold either earbud for 2 seconds during an incoming call.
Activate Voice Assistant (Siri/Google Assistant)	Triple tap on either earbud.

*Note: Specific touch control sensitivity and response may vary slightly.*

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use abrasive cleaners, alcohol, or chemical solvents. Gently remove any earwax or debris from the earbud grilles using a small, soft brush or cotton swab.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even

if not used for extended periods.

- **Water Resistance:** These earbuds are not waterproof. Avoid exposure to water, sweat, or high humidity.

## TROUBLESHOOTING

If you encounter issues, try the following solutions before seeking professional assistance.

Problem	Possible Solution
Earbuds not pairing	<ul style="list-style-type: none"><li>◦ Ensure earbuds are charged.</li><li>◦ Turn off and on Bluetooth on your device.</li><li>◦ Forget the device in your Bluetooth settings and re-pair.</li><li>◦ Place earbuds back in case, close lid, wait 10 seconds, then try again.</li></ul>
No sound from earbuds	<ul style="list-style-type: none"><li>◦ Check device volume.</li><li>◦ Ensure earbuds are connected to the correct device.</li><li>◦ Clean earbud grilles for any obstructions.</li><li>◦ Re-pair the earbuds.</li></ul>
One earbud not working	<ul style="list-style-type: none"><li>◦ Ensure both earbuds are charged.</li><li>◦ Place both earbuds back in the case, close the lid, and reopen to reset connection.</li><li>◦ Re-pair the earbuds.</li></ul>
Charging case not charging	<ul style="list-style-type: none"><li>◦ Check USB cable and power adapter.</li><li>◦ Ensure charging port is clean and free of debris.</li><li>◦ Try a different USB cable or power source.</li></ul>
