PawHut D51-468V00YL

PawHut 85-inch Outdoor Rabbit Hutch (Model D51-468V00YL) Instruction Manual

Model: D51-468V00YL | Brand: PawHut

1. INTRODUCTION

Thank you for choosing the PawHut 85-inch Outdoor Rabbit Hutch. This manual provides essential information for the safe assembly, operation, and maintenance of your new pet enclosure. Please read these instructions carefully before use and retain them for future reference.

Image 1.1: Overall view of the PawHut 85-inch Outdoor Rabbit Hutch. This large wooden bunny cage features a main house and an extended steel run, designed for outdoor use.

2. SAFETY INFORMATION

- Ensure all parts are securely fastened before placing animals inside.
- Regularly inspect the hutch for any damage or loose components that could pose a hazard to your pets.

- Place the hutch on a level, stable surface to prevent tipping.
- This hutch is designed for outdoor use. Ensure it is placed in a sheltered area to protect against extreme weather conditions.
- Keep children supervised when near the hutch and animals.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden main house components
- Steel run panels
- Asphalt roof sections
- Removable plastic tray
- Ramp
- Assembly hardware (screws, bolts, etc.)
- Instruction manual

4. SETUP AND ASSEMBLY

Assembly is required for this product. Follow the steps below carefully. It is recommended to have two people for assembly.

1. **Prepare the Area:** Choose a flat, level, and sheltered outdoor location for the hutch.
2. **Assemble the Main House:**
 - Connect the wooden panels for the main house according to the diagrams provided in the separate assembly guide (not included in this manual but typically provided with the product).
 - Attach the asphalt roof securely to the main house structure.
3. **Attach the Steel Run:**
 - Connect the steel run panels to the main house and to each other, ensuring all connections are tight.
 - Verify that all lockable doors are functioning correctly.
4. **Install the Ramp and Tray:**
 - Position the ramp to allow easy access between the main house and the run.
 - Slide the removable plastic tray into its designated slot beneath the main house.
5. **Final Inspection:** Double-check all screws and connections to ensure the hutch is stable and secure.

Image 4.1: Detailed dimensions of the hutch, showing overall length of 85.4 inches, width of 20.9 inches, and height of 33.9 inches.

SPACIOUS LIVING AREA

Large run for your pets to move freely and casually

Image 4.2: Illustration of the spacious living area, indicating a 3 sq. ft. main house and a 10 sq. ft. run, suitable for 2-3 rabbits.

5. OPERATING INSTRUCTIONS

This hutch provides a secure and comfortable environment for small animals such as rabbits, guinea pigs, chickens, and ducks.

- **Animal Placement:** The hutch is designed to accommodate 2-3 small animals, such as rabbits or guinea pigs. Ensure adequate space for your specific animals.
- **Access:** Utilize the multiple doors for easy access to your pets for feeding, watering, and interaction. Ensure all doors are securely latched when not in use.
- **Shelter:** The main house provides a sheltered area for rest and protection from elements. The asphalt roof offers additional weather protection.
- **Exercise Area:** The extended steel run allows animals ample space for movement and exercise.

MULTIPLE ENTRANCES

Easily access to your lovely pets

4 Lockable Doors

Image 5.1: The hutch features multiple lockable doors for convenient access to pets and for maintenance.

SUITABLE FOR VARIOUS SMALL ANIMALS

Rabbits

Chickens

Ducks

Image 5.2: This hutch is suitable for various small animals including rabbits, chickens, and ducks.

6. MAINTENANCE

- **Cleaning:** The removable plastic tray simplifies cleaning. Slide it out to remove waste and clean thoroughly with pet-safe disinfectants.
- **Regular Inspection:** Periodically check the wooden and steel components for wear, damage, or signs of chewing. Address any issues promptly to maintain structural integrity and animal safety.
- **Weather Protection:** While the roof is waterproof, consider additional coverings during prolonged heavy rain or snow to extend the hutch's lifespan.
- **Pest Control:** Regularly check for signs of pests and take appropriate, pet-safe measures if necessary.

REMOVABLE PLASTIC TRAY

Slide it out for easy cleaning

No
need to worry about
urine damage

Image 6.1: The hutch features a removable plastic tray for quick and easy cleaning, preventing urine damage to the wooden structure.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Hutch feels unstable after assembly.	Loose screws or uneven ground.	Tighten all assembly screws. Ensure the hutch is placed on a completely level surface.
Ramp appears weak or damaged.	Normal wear or manufacturing defect.	Inspect the ramp's wood and fasteners. Reinforce if possible or contact customer support for a replacement if defective.
Difficulty sliding out the tray.	Accumulated debris or misalignment.	Clear any debris from the tray's runners. Ensure the tray is inserted straight and not at an angle.
