2. IMPORTANT SAFETY INSTRUCTIONS

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Read all instructions carefully before assembly and use.
- Ensure all parts are present and undamaged before beginning assembly.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging the material.
- Keep small parts away from children during assembly.
- Only use the provided power cord and charging station for intended electronic devices.
- Avoid exposing the electrical components to water or excessive moisture.

- Do not place excessively heavy items on the desk or shelves.
- Exercise caution when opening and closing the flip-top mirror to prevent pinching.

3. PACKAGE CONTENTS

Your Cyclysio YHDT-013 Vanity Desk package includes all necessary components and hardware for assembly. Please refer to the separate detailed instruction manual provided in the box for a complete list of parts and hardware.

4. ASSEMBLY INSTRUCTIONS

Assembly of the Cyclysio YHDT-013 Vanity Desk is designed to be straightforward. For efficient and correct assembly, please follow the step-by-step instructions provided in the separate assembly manual. Ensure all parts are correctly oriented before tightening screws.

4.1 Key Assembly Considerations

- **Identify all components:** Before starting, lay out all parts and compare them with the parts list in your assembly manual.
- **Follow sequence:** Adhere strictly to the numbered steps in the assembly manual.
- **Proper orientation:** Pay close attention to the direction of each board and component, especially when attaching the flip-top mirror mechanism and drawer slides.
- **Secure connections:** Ensure all screws and fasteners are securely tightened, but avoid overtightening.

5. OPERATING INSTRUCTIONS

5.1 Flip-Top Mirror and LED Lights

- **Opening the Mirror:** Gently lift the front edge of the desk top to reveal the mirror. The high-quality metal hinges provide smooth operation.
- **Closing the Mirror:** Carefully lower the mirror until the lid is flush with the desk surface. The hinges offer a cushioning ability for a soft close.
- **Adjusting Light Modes:** The mirror features 3 light modes: Cool White, Natural White, and Warm White. Press the touch button on the mirror surface to cycle through these modes.

- **Adjusting Brightness:** To adjust the brightness, press and hold the touch button on the mirror surface until the desired brightness level is achieved.

This image details the various storage compartments, including the divided sections under the mirror and the multi-tier side shelves, with numbered callouts for different storage areas.

6. MAINTENANCE AND CARE

- **Cleaning the Surface:** Wipe the desk surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, which can damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.
- **Electrical Components:** Ensure the charging station and mirror lights are unplugged before cleaning. Do not attempt to disassemble or repair electrical parts yourself.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not fully plugged in; power outlet not active; light switch off; faulty connection.	Ensure the main power cord is securely plugged into a working outlet. Check if the touch button on the mirror is pressed. If issues persist, contact customer support.
Charging station (AC outlets/USB ports) not working.	Main power cord unplugged; device not properly connected; device requires more power than available.	Verify the main power cord is connected. Ensure devices are firmly plugged into the charging station. Check device power requirements.
Difficulty during assembly.	Incorrect part orientation; missing hardware; unclear instructions.	Carefully review the assembly manual, paying close attention to diagrams and part numbers. Ensure all parts are oriented correctly. If hardware is missing or instructions are unclear, contact customer support.
Flip-top mirror does not close smoothly.	Obstruction in the compartment; hinge mechanism issue.	Check for any items obstructing the closing path. Ensure hinges are free of debris. Do not force the lid closed.
