IMPORTANT SAFETY INFORMATION

Please read and understand all safety warnings before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- Exercise caution around sharp edges during assembly and moving.
- Do not overload the furniture beyond its recommended weight capacity.
- Be aware of the risk of tipping over if the recliner is not used properly or if excessive weight is applied to the footrest when extended.
- Keep children and pets away from the reclining mechanism to prevent injury.

PACKAGE CONTENTS

Your Yolsali Loveseat Recliner Sofa Set is shipped in multiple packages. Please ensure all components are present before beginning assembly.

- Loveseat sections (2 pieces)
- Recliner chair sections (4 pieces, 2 per chair)
- Removable middle console (for loveseat)
- Backrests for all seats
- Seat cushions and armrests
- Assembly hardware and tools (if applicable)

ASSEMBLY INSTRUCTIONS

Assembly is generally straightforward and requires minimal tools. It is recommended to have two people for easier assembly, especially when handling larger sections.

1. **Unpack Components:** Carefully remove all parts from their packaging. Lay them out on a soft, clean

surface to prevent scratches.

2. **Assemble Recliner Bases:** For each recliner chair, attach the backrest to the seat base by aligning the metal brackets and sliding them into place until they click securely.
3. **Assemble Loveseat Base:** Connect the two loveseat seat sections using the provided brackets and hardware. Ensure a tight and secure fit.
4. **Attach Loveseat Backrests:** Similar to the single recliners, slide the loveseat backrests onto their respective seat bases until they lock.
5. **Install Middle Console:** Place the removable middle console between the two loveseat seats. It should fit snugly and provide stability.
6. **Final Checks:** Once assembled, gently test the reclining function of each seat to ensure smooth operation. Verify all connections are secure.

OPERATING INSTRUCTIONS

Manual Recline Function

Each recliner seat operates independently using a manual pull-tab mechanism located on the side of the armrest. To recline:

1. Locate the pull-tab on the outer side of the seat's armrest.
2. Pull the tab to release the footrest.
3. Lean back gently to adjust the recline angle to your desired position. The mechanism allows for various angles up to 150 degrees.
4. To return to the upright position, push down on the footrest with your feet and lean forward. The mechanism will lock back into place.

Removable Armrest

Before removing the armrest, you can have more functions, including additional cup holders, Type-C and USB-A charging ports, and the armrest can even help you get up when you stand up. After removing the armrest, you can get more space and be intimate without distance.

Removable Console & USB Charging Ports

The loveseat features a versatile middle console that can be easily removed for a more open seating arrangement. When installed, it provides convenient amenities:

- **Cup Holders:** Two integrated cup holders keep your beverages secure.
- **USB Charging Ports:** Two USB charging ports are available to power your electronic devices. Connect your device's charging cable to the port.
- **Removing the Console:** Gently lift the console straight up to remove it. Reinsert by aligning it between the seats and pressing down firmly.

Hidden Armrest Storage Space

Both the loveseat and recliner chairs include hidden storage compartments within their armrests:

- **Flip-Open Top:** Some armrests feature a flip-open top for storing larger items like magazines or remote controls.
- **Zippered Compartments:** Both sides of the armrests have zippered compartments for smaller items, which can be adjusted in size.

MAINTENANCE

To maintain the appearance and longevity of your Yolsali Loveseat Recliner Sofa Set, follow these care instructions:

- **Regular Cleaning:** For daily maintenance, use a soft, dry cloth to wipe down the velvet fabric.
- **Spot Cleaning:** For spills, immediately blot the area with a clean, damp cloth. Avoid rubbing, as this can spread the stain. Use a mild soap solution if necessary, then wipe with a clean, damp cloth and allow to air dry.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the fabric and finish.
- **Protect from Sunlight:** Prolonged exposure to direct sunlight can cause fading. Position your furniture away from direct sunlight or use curtains/blinds.
- **Pet Care:** While the thickened material resists scratches from small pets, regular grooming of pets and covering the furniture can further protect it.

High-quality Dutch Velvet

The dutch velvet fabric gives people a skin-friendly touch and a warm feeling and there is no need to worry about small animals scratching it.

TROUBLESHOOTING

If you encounter any issues with your recliner sofa set, please refer to the following common solutions:

- **Reclining Mechanism Stiff:** Ensure there are no obstructions around the mechanism. Apply a silicone-based lubricant to moving parts if necessary.
- **Footrest Not Engaging/Retracting:** Check that the pull-tab is fully engaged or released. Ensure no items are blocking the footrest's path.
- **Unstable Seating:** Verify that all assembly connections are tight and secure. Re-tighten any loose bolts.
- **USB Ports Not Working:** Ensure the power cord for the console is securely plugged into a working electrical outlet. Check device cables for damage.

If problems persist, please contact customer support for further assistance.
