Vanity Art VA3030-VG

Vanity Art 30 Inch Bathroom Vanity Cabinet with Mirror and Ceramic Top (Model VA3030-VG) Instruction Manual

INTRODUCTION

Thank you for choosing the Vanity Art 30 Inch Bathroom Vanity Cabinet. This manual provides essential information for the safe installation, operation, and maintenance of your new vanity. Please read all instructions carefully before assembly and use to ensure proper function and longevity of the product.

This compact set includes a 30-inch vanity cabinet, an under-mount single ceramic sink, an engineered marble top, two dovetail storage drawers, and a matching wall mirror. The cabinet features soft-closing doors and golden brushed handles, designed for both functionality and aesthetic appeal in your bathroom.

SAFETY INFORMATION

Please observe the following safety precautions during installation and use:

- Always use two people to lift and mount the cabinet to prevent injury. The vanity can be heavy.
- Exercise caution when handling the ceramic sink and engineered marble top to avoid breakage or personal injury. These components are fragile.
- Secure the included mirror to the wall using appropriate hardware to prevent it from falling and causing injury or damage. Ensure the wall can support the mirror's weight.
- Keep all small parts and packaging materials away from children to prevent choking hazards.
- Ensure all plumbing and electrical connections (if applicable) are performed by a qualified professional in accordance with local codes.

PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Cabinet (30 Inch, Vintage Green)
- Engineered Marble Top with Integrated Ceramic Sink
- Matching Wall Mirror
- Golden Brushed Handles (for doors and drawers)
- Dovetail Storage Drawers (pre-installed)
- Mounting Hardware (for mirror and cabinet, if applicable)

SETUP AND INSTALLATION

Professional installation is recommended for plumbing and secure mounting. Ensure you have all necessary tools and a clear workspace.

1. **Prepare the Area:** Clear the installation area. Ensure water supply lines and drain are accessible and correctly positioned for the vanity.
2. **Position the Cabinet:** With assistance, carefully lift and place the vanity cabinet in its desired location. Ensure it is level.

3. **Secure the Cabinet:** If wall-mounting or securing to the wall, use appropriate anchors and screws (not always included, consult a professional) to fasten the cabinet securely to wall studs.
4. **Install Plumbing:** Connect the faucet (not included) and drain assembly to the sink according to the manufacturer's instructions. Connect the water supply lines and drain trap to your home's plumbing system. Check for leaks.
5. **Install Handles:** Attach the golden brushed handles to the cabinet doors and drawers using the provided screws.
6. **Mount the Mirror:** Determine the desired height and position for the mirror. Use appropriate wall anchors and screws to securely mount the mirror to the wall. Ensure it is level and stable.

OPERATING INSTRUCTIONS

Your Vanity Art cabinet is designed for ease of use and durability.

- **Soft-Closing Doors:** The cabinet doors are equipped with soft-closing hinges. Gently push the doors to close them; they will slowly and quietly close on their own, preventing slamming.
- **Dovetail Drawers:** The two dovetail storage drawers operate smoothly on their glides. Pull them open to

access storage space and push them closed.

MAINTENANCE

Proper care will help maintain the appearance and functionality of your vanity.

- **Cabinet Cleaning:** Wipe the engineered wood cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish. Dry immediately after cleaning.
- **Marble Top and Sink Cleaning:** Clean the engineered marble top and ceramic sink with a mild, non-abrasive cleaner and a soft cloth. Rinse thoroughly and dry to prevent water spots. Avoid acidic cleaners, as they can etch the marble surface.
- **Spills:** Wipe up spills immediately, especially on the marble top, to prevent staining.
- **Hardware:** Periodically check and tighten any loose screws on handles, hinges, or drawer glides.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

Problem	Possible Cause	Solution
Leaking around sink or faucet	Loose plumbing connections or improper sealant.	Check all plumbing connections for tightness. Apply plumber's putty or silicone sealant as needed. Consult a plumber if leaks persist.
Drawers or doors not closing smoothly	Obstruction, loose hinges/glides, or uneven installation.	Check for any items obstructing the movement. Tighten screws on hinges or drawer glides. Ensure the cabinet is level.
Mirror appears unstable	Improper mounting or insufficient wall support.	Ensure the mirror is securely fastened to wall studs using appropriate hardware. Re-mount if necessary, using stronger anchors or professional assistance.

For issues not covered here, please contact Vanity Art customer support.
