Mystic Solace

Mystic Solace Impact Vest User Manual

Model: Solace

1. Introduction

This manual provides essential information for the proper use, setup, operation, and maintenance of your Mystic Solace Impact Vest. Please read these instructions carefully before using the product to ensure safety and optimal performance. This vest is designed to provide impact protection and buoyancy assistance for water sports activities.

2. Product Overview

2.1 Key Features

- **Waterproof Fidlock Chest Pocket:** Secure storage for electronic devices like smartphones.
- **Integrated Safety Knife:** Essential for emergency situations.
- **CE Certified:** Meets European safety standards for buoyancy aids.
- **Side Zipper:** YKK quality zipper for easy donning and doffing.
- **Clash Foam Construction:** Provides impact protection.
- **Non-Padded Harness Waist:** Designed for comfort when worn with a harness.
- **Harness Grip Lines:** Enhances grip with a waist harness.
- **Zipper Lock:** Secures the side zipper during activity.

2.2 Components

Figure 1: Front view of the Mystic Solace Impact Vest. This image displays the overall design, including the chest pocket area and the safety knife attachment point on the right shoulder.

Figure 2: Back view of the Mystic Solace Impact Vest. This image highlights the non-padded harness waist area and the overall back panel construction.

Figure 3: Close-up of the safety knife attachment. The image shows the strap and mechanism for securing the safety knife on the vest's shoulder.

Figure 4: User accessing the waterproof Fidlock chest pocket. This image demonstrates how to open and use the secure pocket for storing items like a smartphone.

3. Setup

3.1 Wearing the Vest

1. **Unzip the Vest:** Locate the side zipper and fully open it.
2. **Donning:** Slide the vest over your head and arms, similar to putting on a t-shirt.
3. **Secure the Zipper:** Close the side zipper completely. Ensure the zipper lock mechanism is engaged to prevent accidental opening during activity.
4. **Adjust for Fit:** The vest should fit snugly but allow for full range of motion. The non-padded harness waist is designed to integrate seamlessly with a waist harness, if used.

Figure 5: User wearing the Mystic Solace Impact Vest. This image shows the vest being worn, demonstrating its fit and compatibility with a waist harness.

4. Operating Instructions

4.1 Using the Waterproof Fidlock Chest Pocket

1. **Accessing the Pocket:** The pocket is located on the chest. It features a Fidlock magnetic closure system.
2. **Opening:** To open, firmly pull the pocket flap upwards. The magnetic mechanism will disengage.
3. **Inserting Device:** Place your smartphone or other small electronic device into the waterproof pouch within the pocket. Ensure the pouch is properly sealed before closing the outer flap.
4. **Closing:** Align the flap with the pocket base and allow the magnets to engage. Press down firmly to ensure a secure, waterproof seal.

4.2 Using the Integrated Safety Knife

1. **Location:** The safety knife is typically secured on a strap near the shoulder or chest area.
2. **Deployment:** In an emergency, quickly pull the knife from its sheath. Practice this action in a safe environment to ensure familiarity.
3. **Usage:** The knife is designed for cutting lines or straps in critical situations. Use with extreme caution.
4. **Re-securing:** After use, ensure the knife is properly and securely re-sheathed to prevent accidental injury or loss.

5. Maintenance

5.1 Cleaning

- **Rinse After Use:** After each use in saltwater or chlorinated water, rinse the vest thoroughly with fresh, cool water.
- **Hand Wash:** If necessary, hand wash with a mild soap. Do not use harsh detergents, bleach, or solvents.
- **Avoid Machine Washing:** Do not machine wash or tumble dry, as this can damage the foam and fabric.
- **Air Dry:** Hang the vest to air dry in a shaded, well-ventilated area. Avoid direct sunlight, which can degrade materials over time.

5.2 Storage

- **Dry Completely:** Ensure the vest is completely dry before storing to prevent mildew and odors.
- **Flat or Hung:** Store the vest flat or hung on a wide hanger to maintain its shape. Avoid folding tightly or placing heavy objects on it.
- **Cool, Dry Place:** Store in a cool, dry place away from direct sunlight and extreme temperatures.

6. Troubleshooting

- **Vest feels too tight/loose:** Ensure you have selected the correct size. The side zipper should be fully closed, and the vest should fit snugly without restricting movement.
- **Water in chest pocket:** Verify that the Fidlock closure was properly engaged and sealed. Check the internal waterproof pouch for any damage or improper sealing.
- **Zipper sticking:** Rinse the zipper with fresh water after each use. If necessary, apply a silicone-based zipper lubricant.
