MAINTENANCE

To ensure the longevity and appearance of your KKL dresser, follow these maintenance guidelines:

- **Cleaning Surfaces:** Wipe the top and frame surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning Fabric Drawers:** For light cleaning, use a lint roller or a soft brush to remove dust and debris. For spills, gently blot with a clean, damp cloth and mild soap, then air dry. Do not machine wash the fabric drawers.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Overloading:** Do not overload the drawers or the top surface beyond their intended capacity to prevent damage and maintain stability.

Lightweight but Durable

TROUBLESHOOTING

If you encounter any issues with your KKL dresser, refer to the following common troubleshooting tips:

- **Dresser Wobbles:** Ensure all adjustable feet are properly extended and making firm contact with the floor. Adjust them as needed to level the dresser. Verify all frame connections are securely tightened.
- **LED Lights Not Working:** Check if the power cord for the LED lights is securely plugged into a working outlet. Ensure the light strip connection is firm. If using a remote, check its battery.
- **Charging Station Not Functioning:** Confirm the dresser's main power cord is fully plugged into a live electrical outlet. Test the outlet with another device. Ensure devices are properly connected to the USB ports or AC outlets.
- **Drawers Not Sliding Smoothly:** Ensure drawers are correctly inserted into their slots. Check for any obstructions within the drawer compartments or along the frame.

If the issue persists after attempting these steps, please contact KKL customer support for further assistance.
