

IFANNY 10769-HU

IFANNY Twin Size Low Loft Bed with Storage Shelves and LED Lights

MODEL: 10769-HU

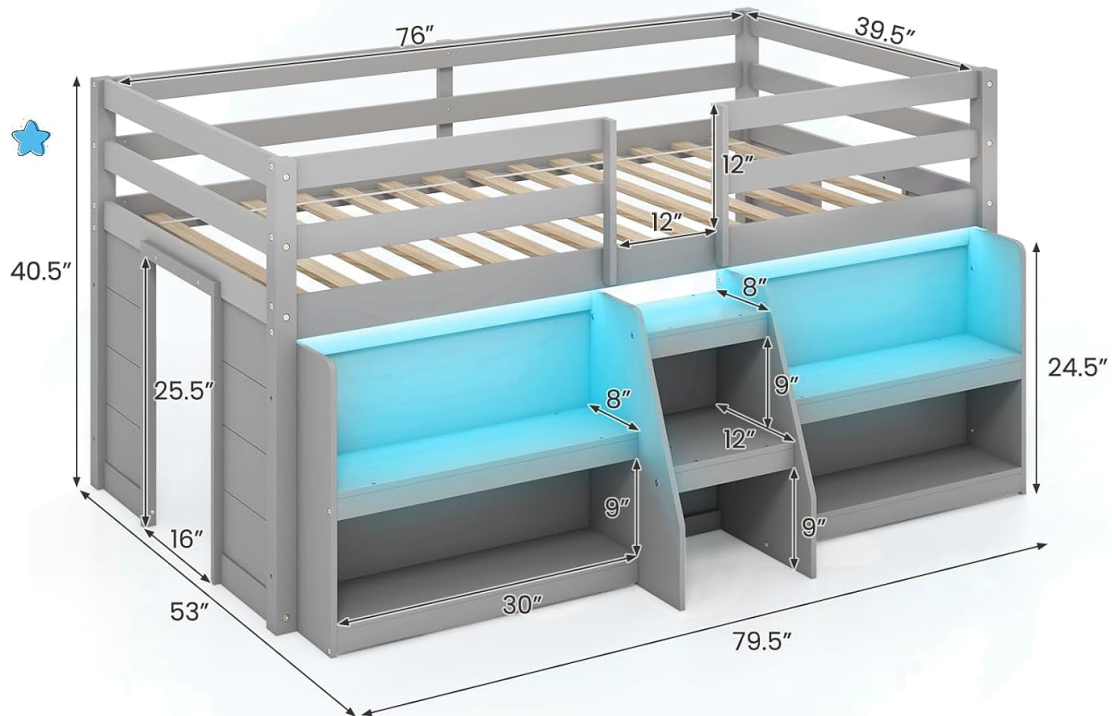

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your IFANNY Twin Size Low Loft Bed. Designed for comfort and functionality, this loft bed features integrated storage shelves, LED lighting, and safety guardrails, making it an ideal solution for children's rooms. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. Safety Information

- Always assemble the product according to the instructions to ensure stability and safety.
- Do not exceed the maximum weight capacity of **350 lbs** for the bed. The stair has a weight capacity of **210 lbs**.
- Ensure all screws and fasteners are securely tightened before use and check them periodically.
- Be cautious of the height of the loft bed to prevent falls, especially for young children.
- The bed is designed for a twin-size mattress with a recommended thickness of **8 inches**. No box spring is needed.
- Keep small parts away from children during assembly to prevent choking hazards.
- This product is intended for children aged 6 and above.

Dimensions

Weight Capacity

Bed
350 lbs

Ladder
210 lbs

Bookshelf
88 lbs

Image: Product dimensions and weight capacities for the bed, ladder, and bookshelf. The bed measures 79.5\"L x 53\"W x 40.5\"H. The bed has a weight capacity of 350 lbs, the ladder 210 lbs, and each bookshelf 88 lbs.

3. Package Contents

Please verify that all components are present before beginning assembly:

- 1 x Low Loft Bed with Storage Shelves (all wooden components)
- 1 x LED Lights with Remote Control
- 1 x Instruction Manual
- Hardware Pack (screws, bolts, Allen key, etc.)

4. Assembly Instructions

Assembly typically requires two adults. An Allen key is provided, but an electric drill with appropriate bits may expedite the process. Follow the numbered steps in the included instruction booklet for detailed diagrams.

Step 4.1: Unpack and Identify Parts

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to

the parts list in your instruction booklet to identify each piece and ensure nothing is missing or damaged.

Step 4.2: Assemble the Bed Frame

Begin by connecting the main frame components (headboard, footboard, side rails) using the provided hardware. Ensure all connections are snug but do not fully tighten screws until the frame is stable.

Image: An assembled grey IFANNY low loft bed, showcasing the bed frame, integrated storage shelves, and the wide steps leading up to the sleeping area. The LED lights under the shelves are illuminated.

Step 4.3: Install Bed Slats

Once the main frame is assembled, install the 14 plywood slats onto the support rails. Distribute them evenly and secure them according to the instructions. These slats provide a solid foundation for your mattress.

Well-crafted Wooden Frame

Ensures reliable support for the years to come

Step 4.4: Attach Storage Shelves and Stairs

Assemble the two storage bookshelves and the integrated stairs. Attach these components to the main bed frame. Ensure the wide steps are securely fastened for safe climbing.

Safety Guardrail

2 Wide Steps

Image: A detailed view showing the full-length safety guardrail on the upper bunk and the two wide steps of the integrated ladder, designed for secure access.

Step 4.5: Install LED Lights

Carefully install the LED light strips into the designated areas under the storage shelves. Connect them to the power source as instructed. Ensure the remote control is accessible.

Step 4.6: Final Tightening and Inspection

Once all components are in place, go back and fully tighten all screws and fasteners. Inspect the entire bed for stability and ensure there are no loose parts or sharp edges. Place your twin mattress on the slats.

5. Operating Instructions (LED Lights)

The integrated LED lights are controlled by the included remote control. Point the remote at the receiver to adjust settings.

- **Power On/Off:** Press the power button to turn the lights on or off.
- **Color Selection:** Choose from **20 static colors** using the color buttons on the remote.
- **Dynamic Modes:** Select from **22 dynamic modes** (e.g., flash, fade, strobe) to create different atmospheres.
- **Speed Adjustment:** Increase or decrease the speed of dynamic modes.
- **Brightness Control:** Adjust the brightness level (**5 levels** available) to suit your preference.

6. Maintenance

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **LED Lights:** If LED lights malfunction, check the power connection and remote control battery.

7. Troubleshooting

- **Bed feels wobbly after assembly:** Ensure all screws are fully tightened. Disassemble and reassemble any sections that seem misaligned.
- **LED lights not working:** Check if the power adapter is securely plugged in. Ensure the remote control has a working battery and is pointed directly at the receiver.
- **Missing parts:** Refer to the package contents list. If parts are missing, contact IFANNY customer support immediately.
