Maintenance

- Wipe surfaces with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive cleaners.
- Periodically check all screws and connections to ensure they remain tight.
- Keep the stand away from direct heat sources and excessive humidity.

Troubleshooting

Assembly Difficulties

If you encounter issues during assembly, such as misaligned holes or difficulty fitting parts, double-check the instruction

manual and video guides. Ensure you are using the correct hardware for each step. If problems persist, contact customer support.

LED Lights Not Working

Verify that the power cord is securely plugged into a working outlet and that the LED strip is properly connected to its power source. Check the remote control battery if using the remote.

Power Outlets/USB Ports Not Functioning

Ensure the main power cord for the stand is plugged into a live wall outlet. Test the outlets with a different device to confirm functionality. If issues persist, discontinue use and contact customer support.
