## MAINTENANCE AND CARE

To ensure the longevity and quality of your prints and the photo paper/ink ribbon cassette, follow these care guidelines:

- **Storage:** Store unused cassettes in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid touching the printing surface of the photo paper or the ink ribbon directly to prevent smudges or damage.
- **Protective Film:** The printed photos are automatically covered with a protective film. Do not attempt to remove this film as it provides resistance against water, dust, fingerprints, and fading.
- **Disposal:** Dispose of empty cartridges according to local regulations for electronic waste or plastic recycling.
