## 5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish or glass.
- **Glass Care:** Use a glass cleaner for the mirror and glass tabletop. Ensure no liquid seeps into electrical components.
- **Electrical Components:** Keep the charging station and light components dry. Do not attempt to repair electrical parts yourself.
- **Drawer Slides:** Periodically check and clean drawer slides to ensure smooth operation.

## 6. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common troubleshooting tips:

- **Lights Not Working:** Check if the power cord is securely plugged into a functional outlet. Ensure the smart switch is activated.
- **RGB Lights Not Responding:** Verify that the smartphone app is correctly connected to the vanity's RGB system. Check for any loose connections.
- **Charging Station Not Functioning:** Confirm the vanity is plugged in and the devices are correctly connected to the outlets/USB ports.
- **Drawers Sticking:** Ensure drawers are not overloaded. Check for any obstructions in the drawer slides.
