2. Safety Instructions

Please read and follow all safety instructions carefully to prevent injury or damage to the product.

- This product is intended for pet use only. Do not use for human consumption.
- For indoor use only. Do not expose to rain or extreme temperatures.
- Keep the product out of reach of children and pets during charging to prevent accidental damage or injury.
- Never submerge the electric motor or the main control module in water. Only the stainless steel components are washable.
- Ensure the fountain is placed on a stable, level surface to prevent tipping.
- Use only the provided power adapter and charging cable.
- Regularly inspect the power cord and pump for any signs of damage. Discontinue use if damaged.
- Unplug the fountain before cleaning or performing any maintenance.

3. Package Contents

Verify that all items are present in the package:

- Stainless Steel Water Tank × 1
- Stainless Steel Water Tray × 1
- Master Control Module × 1
- Filter Tray × 1
- Filter Cotton × 20
- Filter × 5
- Type-C Cable × 1
- Adapter × 1
- Cleaning Brush × 1
- User Manual × 1

Packing Accessories

4. Setup Instructions

Follow these steps to assemble and prepare your pet water fountain for first use:

1. **Clean Components:** Wash the stainless steel water tank, water tray, and filter tray with mild soap and water. Rinse thoroughly. Do not wash the Master Control Module.
2. **Install Filter:** Place one filter cotton and one filter into the filter tray.
3. **Assemble Pump:** Attach the Master Control Module to the filter tray, ensuring a secure fit.
4. **Place in Tank:** Insert the assembled filter tray and Master Control Module into the stainless steel water tank.

5. **Fill with Water:** Fill the stainless steel water tank with fresh water up to the 'MAX' line. Do not overfill.
6. **Place Water Tray:** Position the stainless steel water tray on top of the tank, ensuring it sits correctly.
7. **Initial Charge:** For optimal performance, fully charge the fountain before first use. Connect the Type-C cable to the Master Control Module and the adapter to a power outlet. The battery indicator will show charging status.

Wireless Put it Anywhere

Battery-Operated help your pets can drink wherever they feel comfortable.

5. Operating Instructions

The fountain offers three distinct operating modes:

- **Sensing Mode (Recommended):** The fountain dispenses water for 15 seconds when a pet approaches within 31.5 inches (80 cm). This mode conserves battery life and encourages pets to drink.
- **Intermittent Mode:** Water is dispensed for 15 seconds at intervals of 10 minutes. This mode provides regular hydration while still being energy efficient.
- **Constant Mode:** Water flows continuously. This mode is ideal for pets who prefer a constant water source.

Changing Modes:

Press the mode button on the Master Control Module to cycle through the available modes. The indicator light will change to reflect the selected mode.

Battery and Charging:

The built-in 4000mAh battery provides extended operation. When the battery is low, an indicator light will alert you. Connect the Type-C cable to the charging port on the Master Control Module and plug the adapter into a power source to recharge.

3 Work Modes

With sensor mode, entices instinct to drink more water.

Sensor mode

Water Runs Auto When Cat Approaches.

120°

4-6ft

Timed Mode (unplugged)
Save energy by running water every 15 minutes.

Continuous mode (plug in)
For pets 24/7 hydration.

6. Maintenance

Regular cleaning and filter replacement are crucial for maintaining water quality and extending the life of your fountain.

Cleaning the Fountain:

1. **Disassemble:** Turn off the fountain and unplug it. Remove the water tray, Master Control Module, and filter tray.
2. **Clean Stainless Steel Parts:** Wash the stainless steel water tank and water tray with mild soap and water. These parts are dishwasher-safe.
3. **Clean Filter Tray and Module:** Gently scrub the filter tray and the exterior of the Master Control Module with the provided cleaning brush. **Do not submerge the Master Control Module in water.**
4. **Rinse and Dry:** Rinse all components thoroughly and dry them before reassembly.

Filter Replacement:

It is recommended to change the filters every two weeks and clean the pump and the automatic cat water dispenser at least once a week to maintain your pet's health.

- Remove the old filter cotton and filter from the filter tray.
- Insert a new filter cotton and filter into the filter tray.
- Replacement filters can be purchased by searching for ASIN **B0C36JSP76**.

7. Troubleshooting

If you encounter any issues with your pet water fountain, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No water flow	Low battery; Water level too low; Pump clogged; Incorrect mode.	Charge the fountain; Refill water to MAX line; Clean the pump and filter; Switch to Constant or Sensing mode.
Fountain is noisy	Low water level; Pump not properly installed; Debris in pump.	Refill water; Ensure pump is securely seated; Clean the pump thoroughly.
Water tastes or smells bad	Filter needs replacement; Fountain needs cleaning.	Replace the filter; Clean all fountain components thoroughly.
Indicator lights not working	No power; Malfunction.	Ensure fountain is charged or connected to power; Contact customer support if issue persists.

8. Specifications

- **Model Number:** FS10Pro-5
- **Material:** SUS 304 Stainless Steel
- **Capacity:** 152 fl oz (4.5 L)
- **Power Source:** Battery Powered (1 Lithium Ion battery included)
- **Battery Capacity:** 4000mAh
- **Noise Level:** < 20dB
- **Special Features:** Automatic Water Bowl, Wireless, Motion Sensor
- **Dimensions:** 26.9 x 23.29 x 15.6 cm
- **Weight:** 1.55 kg

9. Warranty and Support

This product comes with a standard manufacturer's warranty. For detailed warranty information, please refer to the warranty card included in your package or contact APD APETDOLA customer support.

If you have any questions, require technical assistance, or need to report an issue, please contact our customer support team through the retailer's platform or visit the official APD APETDOLA website for contact details.
