HOMCOM 833-621V03LR

HOMCOM Faux Leather Manual Recliner

Model: 833-621V03LR - User Instruction Manual

Safety Information

Always assemble the chair according to the provided instructions. Do not exceed the maximum weight capacity of 265 lbs. Be cautious when adjusting the reclining position and footrest to avoid injury.

Product Overview

The HOMCOM Faux Leather Manual Recliner is designed for comfort and versatility. It features a stylish faux leather upholstery, thick padding, and a sturdy wooden swivel base. The chair offers a manual recline function and an extendable footrest for optimal relaxation.

Package Contents

Before assembly, ensure all components are present. The package typically includes:

- Recliner Seat and Backrest
- Armrests (2)
- Wooden Pedestal Base
- Footrest Mechanism
- Assembly Hardware (screws, washers, Allen wrench)
- Instruction Manual

Setup and Assembly

Follow these steps for proper assembly of your recliner. It is recommended to have two people for certain steps.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Attach the backrest to the seat frame using the provided hardware. Ensure all bolts are securely tightened.
3. Secure the armrests to the main frame. Pay attention to the left and right armrest labels if present.
4. Connect the footrest mechanism to the chair base.
5. Place the assembled chair onto the wooden pedestal swivel base.
6. Verify all connections are tight and the chair is stable before use.

Operating Instructions

Reclining Function:

To recline the backrest, locate the side knob on the chair. Loosen the knob to adjust the backrest to your desired angle (up to 145°). Tighten the knob to secure the position.

Image: Illustration demonstrating the adjustable backrest with a maximum recline angle of 145 degrees.

Extendable Footrest:

To extend the footrest, use the side knob located on the chair. Pull the knob to release the footrest into the upright position. To retract, push the footrest down with your legs until it locks into place.

360° Swivel Base:

The chair is equipped with a round, wooden pedestal base that allows for smooth 360° swivel movement. Simply rotate the chair to face any direction.

Maintenance

To maintain the quality and longevity of your recliner, follow these care instructions:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the faux leather.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading and material degradation.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary.

Troubleshooting

If you encounter issues with your recliner, refer to the following common solutions:

- **Chair not reclining smoothly:** Check the side knob for the recline function; ensure it is loosened before attempting to recline and tightened to secure. Inspect the reclining mechanism for any obstructions.
- **Footrest not extending/retracting:** Verify the footrest release knob is functioning correctly. Ensure no objects are blocking the footrest mechanism.
- **Swivel base is stiff or noisy:** Ensure the chair is placed on a flat, even surface. Check the swivel mechanism for any debris or loose components. Applying a silicone-based lubricant to the swivel ring may help.
- **Chair feels unstable:** Re-check all assembly bolts and ensure they are fully tightened.

For persistent issues, please contact customer support.

Specifications

Feature	Detail
Brand	HOMCOM
Model Name	Recliner
Model Number	833-621V03LR
Color	Light Brown
Material	Faux Leather (60% Polyurethane, 40% Base Fabric), Foam Fill
