HUANLEGO 22

HUANLEGO Makeup Vanity Desk with Mirror and Lights Instruction Manual

Model: 22

1. PRODUCT OVERVIEW

The HUANLEGO Makeup Vanity Desk, Model 22, is designed to provide a comprehensive and organized space for personal grooming. This vanity set includes a mirror with adjustable lighting, LED glass cabinets, multiple storage drawers, and a built-in charging station. The overall dimensions are 43.2 inches (L) x 15.6 inches (W) x 55.1 inches (H).

Key Features:

- **Integrated Mirror with Lights:** Features 3 adjustable color modes (warm white, natural white, cool white) and brightness control to suit various makeup needs.
- **LED Glass Display Cabinets:** Two glass cabinets with adjustable shelves and RGB LED lights. RGB lights can be controlled via switches or a dedicated app, including a music mode.
- **Ample Storage:** Includes 7 drawers, 4 open storage shelves, and the 2 LED glass cabinets for organizing cosmetics, perfumes, jewelry, and other beauty tools.
- **Built-in Charging Station:** Equipped with 2 AC power outlets and 2 USB ports for charging electronic devices and powering beauty tools.
- **Hair Dryer Stand:** Conveniently located near the charging station for easy access to hair styling tools.
- **Vanity Stool:** A matching stool with storage space is included.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the vanity desk. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the product with care to avoid injury.
- Keep electrical components dry and do not overload power outlets.
- This product is heavy (approximately 106 pounds); ensure it is properly supported and stable during assembly and use. Seek assistance when moving or assembling heavy components.
- Do not allow children to climb on or play with the vanity desk.
- Ensure all connections for electrical components (lights, charging station) are secure before plugging into a power source.
- Avoid placing hot items directly on the surface without protective padding.

3. SETUP AND ASSEMBLY

The HUANLEGO Makeup Vanity Desk requires assembly. Detailed instructions, labeled components, and necessary hardware are included to facilitate the process. Assembly typically takes several hours for one person; having assistance is recommended.

Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components are present against the provided parts list.
2. **Organize Parts:** Lay out all components on a clean, soft surface to prevent scratches. Group similar parts and hardware.
3. **Assemble Base Structure:** Follow the step-by-step diagrams in the instruction manual to assemble the main desk frame and side drawer units.
4. **Install Drawers:** Assemble the drawers and install them into their respective slots. Ensure smooth operation of the sliding rails.
5. **Attach Upper Cabinetry:** Secure the upper cabinet structure, including the mirror frame and LED glass cabinets, to the main desk.
6. **Connect Electrical Components:** Install the mirror lights, RGB LED cabinet lights, and the charging station according to the electrical connection diagrams. Ensure all wiring is properly routed and secured.
7. **Assemble Vanity Stool:** Put together the vanity stool, including its storage compartment.
8. **Final Inspection:** Check all screws and connections to ensure they are tight and secure. Confirm that all lights and the charging station function correctly.

4. OPERATING INSTRUCTIONS

4.1 Mirror Lighting

The integrated mirror features adjustable LED lighting with three color modes and brightness control.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, tap the touch sensor repeatedly to cycle through the three color modes: Cool White, Natural White, and Warm White.
- **Adjust Brightness:** With the lights on, press and hold the touch sensor to adjust the brightness level. Release when the desired brightness is achieved.

4.2 RGB LED Cabinet Lighting

The glass display cabinets are equipped with RGB LED lights, offering a wide range of colors and dynamic modes.

- **Control via Switch:** Use the physical switch located on the vanity desk to turn the RGB lights on/off and cycle through basic color options.
- **Control via App:** For advanced control, including over 60,000 colors, brightness adjustment, music mode, microphone mode, and timing functions, download the dedicated control app (refer to the included manual for app name and QR code).

4.3 Charging Station

The vanity desk includes a built-in charging station for convenience.

- **AC Outlets:** Two 125V/12A AC power outlets are available for plugging in hair dryers, curling irons, or other electrical appliances.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, smartwatches, and other USB-powered devices.
- **Hair Dryer Rack:** Utilize the integrated hair dryer rack to store your hair dryer when not in use.

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe down all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If they become stiff, apply a small amount of silicone lubricant.
- **Electrical Components:** Ensure all electrical connections remain dry and free from dust. Do not attempt to repair electrical components yourself.

- **Adjustable Shelves:** The glass shelves in the cabinets are adjustable. Handle them with care when repositioning to prevent breakage.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
Mirror lights do not turn on.	Power cable not connected, power outlet not working, touch sensor malfunction.	Ensure the power cable is securely plugged into a working outlet. Check the touch sensor for responsiveness.

Problem	Possible Cause	Solution
RGB cabinet lights are not working or not changing colors.	Loose connection, app not connected, incorrect app settings.	Verify all light connections. Ensure the app is correctly paired and settings are configured. Try controlling with the physical switch.
Drawers are stiff or difficult to open/close.	Misaligned slides, debris in slides, overloaded drawer.	Check for proper alignment of drawer slides. Remove any debris. Do not overload drawers beyond their capacity. Apply silicone lubricant if needed.
Charging station (AC/USB) is not providing power.	Power cable disconnected, power strip switch off, device not compatible.	Confirm the main power cable for the vanity is plugged in. Ensure the charging station's internal switch (if any) is on. Test with a different device.
