VINLUZ 1751-4W-SN

VINLUZ 4-Light Brushed Nickel Vanity Light (Model 1751-4W-SN) Instruction Manual

Model: 1751-4W-SN | Brand: VINLUZ

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning installation. Failure to do so may result in electric shock, fire, or other injuries that could be hazardous or even fatal. Keep these instructions for future reference.

- Always turn off the main power supply at the circuit breaker before installing or servicing the fixture.
- Consult a qualified electrician if you are unsure about the installation process.
- Use only bulbs of the specified type and wattage. Do not exceed the maximum wattage.
- Ensure all electrical connections are secure and comply with local codes and ordinances.
- Do not install this fixture in wet locations unless specifically rated for such use. This fixture is rated for indoor use only.

2. PACKAGE CONTENTS

Carefully unpack your fixture and check that all parts are included. Retain all packaging material until installation is complete to prevent loss of small parts.

- Fixture Body with Back Plate
- Clear Glass Shades (4 pieces)
- Mounting Hardware (Crossbar, Screws, Wire Nuts)
- Instruction Manual

Note: Bulbs are not included and must be purchased separately.

3. SETUP AND INSTALLATION

Before you begin, ensure the power is turned off at the circuit breaker. This fixture can be mounted with the lights facing up or down.

3.1 Tools Required (Not Included)

- Screwdriver (Phillips and Flathead)
- Wire Strippers
- Electrical Tape
- Pliers
- Safety Glasses

3.2 Installation Steps

1. **Turn Off Power:** Locate the circuit breaker controlling the light switch and turn it off. Verify power is off using a voltage tester.
2. **Prepare Mounting:** Attach the mounting crossbar to the junction box using the provided screws. Ensure it is securely fastened.
3. **Wire Connections:**
 - Connect the fixture's black wire to the house's black (hot) wire using a wire nut.
 - Connect the fixture's white wire to the house's white (neutral) wire using a wire nut.
 - Connect the fixture's ground wire (bare copper or green) to the house's ground wire and to the mounting crossbar's ground screw.
 - Secure all wire connections with electrical tape.
4. **Mount Fixture:** Carefully tuck all wires into the junction box. Align the fixture's back plate with the mounting screws on the crossbar and secure it with the decorative nuts.
5. **Install Glass Shades:** Attach each clear glass shade to the fixture by screwing it onto the socket assembly. Ensure they are finger-tight.
6. **Install Bulbs:** Screw in the required E26 base bulbs (not included) into each socket. Do not exceed 60W per bulb.
7. **Restore Power:** Turn the power back on at the circuit breaker and test the light fixture.

EASY TO INSTALL

UP 

DOWN

4. OPERATING INSTRUCTIONS

This VINLUZ vanity light is designed for simple operation once installed.

- **Power On/Off:** Use your standard wall switch to turn the light fixture on or off.
- **Bulb Requirements:** The fixture uses E26 standard base bulbs. Each socket supports a maximum of 60 watts. Do not exceed this wattage.
- **Dimmable Functionality:** This fixture is compatible with a dimmer switch (not included). If you wish to use a dimmer, ensure you install a compatible E26 dimmable bulb and a suitable dimmer switch.

Different color temperature creates different ambience

5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your VINLUZ vanity light.

- **Cleaning:** To clean the fixture, ensure the power is off. Wipe the brushed nickel finish with a soft, dry cloth. For the glass shades, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Bulb Replacement:** Always turn off the power before replacing bulbs. Allow bulbs to cool completely before handling. Replace with E26 base bulbs, not exceeding 60 watts.
- **Glass Shade Replacement:** In case of a broken glass shade, contact VINLUZ customer service for a free replacement.

6. TROUBLESHOOTING
