Bellemave WL000008TFG

Bellemave Twin Over Full Bunk Bed with Slide and Built-in Ladder

MODEL: WL000008TFG

1. Important Safety Information

Please read and understand all instructions before assembling and using this bunk bed. Keep this manual for future reference.

- **Guardrail Use:** Always use the guardrail on the top bunk to prevent falls. Ensure it is securely installed.
- **Slide Safety:** Exercise caution when using the slide. Ensure the area around the slide is clear to prevent injuries. Only one person should use the slide at a time.
- **Assembly:** Follow all assembly instructions carefully. Use only the provided tools and hardware. Improper assembly can lead to instability and injury.
- **Weight Capacity:** Do not exceed the manufacturer's recommended maximum weight capacity for each bunk. Overloading can cause structural failure.
- **Mattress Size:** Use only mattresses of the specified size for each bunk to ensure proper fit and safety.
- **Ventilation:** Ensure adequate ventilation around the bed.
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten as necessary.
- **Choking Hazard:** Keep small parts away from children during assembly.

2. Product Overview

The Bellemave Twin Over Full Bunk Bed is designed to maximize space while providing a fun and functional sleeping area. It features a twin bed on top, a full bed on the bottom, a built-in ladder for access to the top bunk, and an integrated slide for playful exits. The house-shaped roof design adds a unique aesthetic.

3. Package Contents

Your Bellemave bunk bed is shipped in multiple packages. Please ensure all packages have arrived before beginning assembly. Each package contains specific components and hardware necessary for assembly. Refer to the detailed assembly instruction guide included in your package for a complete list of parts and hardware.

- Wooden frame components (posts, rails, slats, guardrails, roof frame)
- Slide assembly
- Ladder assembly
- Hardware pack (screws, bolts, nuts, washers, Allen wrench)
- Assembly Instruction Guide

4. Setup and Assembly

Assembly of this bunk bed requires two adults. Please follow the clear and detailed assembly instruction guide provided with your product. All necessary tools are included.

1. **Unpack Components:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a carpet or blanket) to prevent scratches. Verify all parts are present against the parts list in the instruction guide.
2. **Assemble Lower Bed Frame:** Begin by assembling the full-size lower bed frame according to the step-by-step diagrams.
3. **Assemble Upper Bed Frame:** Assemble the twin-size upper bed frame, including the guardrails.
4. **Attach Ladder and Slide:** Securely attach the built-in ladder and the slide to the upper bunk frame as indicated in the manual. Ensure all connections are tight.
5. **Install Roof Frame:** Attach the house-shaped roof frame components to the top of the bunk bed structure.
6. **Final Checks:** Once assembled, double-check all bolts and screws to ensure they are fully tightened. The bed should be stable and free from wobbling.

5. Operating Instructions (Usage)

This bunk bed is designed for sleeping and recreational use of the slide and ladder.

- **Sleeping:** Place appropriate size mattresses on both the twin (upper) and full (lower) bunks. Ensure bedding does not obstruct the ladder or slide.
- **Ladder Use:** Always use the built-in ladder to access and exit the top bunk. Face the ladder when climbing up or down.
- **Slide Use:** Use the slide feet first, in a seated position. Ensure the landing area is clear before sliding. Supervise children during slide use.
- **General Use:** Do not jump on the bed. Do not hang from any part of the bed structure.

6. Maintenance

Regular maintenance will help prolong the life and safety of your bunk bed.

- **Cleaning:** Wipe down the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

- **Hardware Check:** Periodically (e.g., monthly or quarterly) inspect all bolts, screws, and connections. Tighten any loose hardware to maintain structural integrity.
- **Structural Integrity:** Check for any signs of wear, cracks, or damage to the wood. If any damage is found, discontinue use and contact customer support for replacement parts or advice.

7. Troubleshooting

If you encounter any issues with your Bellemave bunk bed, refer to the following common solutions:

- **Wobbling/Instability:** Ensure all bolts and screws are fully tightened. Check that the bed is placed on a level surface.
- **Missing Parts:** If you find any parts missing during assembly, refer to the parts list in your instruction guide and contact Bellemave customer support for assistance.
- **Difficulty Assembling:** Review the assembly instruction guide carefully. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.

8. Specifications

Product Dimensions and Materials

Feature	Detail
Overall Product Dimensions	79.5"L x 91.6"W x 86.8"H
Upper Bunk Size	Twin
Lower Bunk Size	Full
Material	Pine Wood and MDF
Color	Grey
Assembly Required	Yes
