Mxnsewr MX-C021

Mxnsewr Microfiber Steam Mop Pads X2 MX-C021 Steam Mops Instruction Manual

Brand: Mxnsewr | Model: MX-C021

1. INTRODUCTION

Thank you for choosing Mxnsewr Microfiber Steam Mop Pads. These replacement pads are designed for use with Mxnsewr MX-C021 steam mops, providing effective and chemical-free cleaning for various floor types. This manual provides essential information for the proper use and maintenance of your new mop pads.

2. PRODUCT FEATURES

- **Compatibility:** Specifically designed for Mxnsewr MX-C021 steam mops, measuring 12.9x6.3 inches.
- **Material:** High-quality microfiber for durability and strong water absorption.
- **Cleaning Power:** Effectively cleans stubborn stains without leaving water marks when used with high-temperature steam.
- **Reusable:** Can be hand washed, machine washed, and reused multiple times.
- **Versatility:** Suitable for various flooring types including hardwood, grout, tile, laminate, and stone.

- **Easy Installation:** Attaches and detaches easily using the Velcro system under the mop head.

3. SETUP AND INSTALLATION

The Mxnsewr Microfiber Steam Mop Pads are designed for quick and easy attachment to your compatible steam mop.

1. Ensure your steam mop is unplugged and cool before handling.
2. Align the microfiber pad with the mop head.
3. Press the mop head firmly onto the pad. The Velcro fasteners on the back of the pad will securely attach it to the mop head.
4. To remove, simply peel the pad off the mop head.

Easy to Assemble & Detach

4. OPERATING INSTRUCTIONS

Once the microfiber pad is securely attached, your Mxnsewr steam mop is ready for use. Refer to your steam mop's main instruction manual for specific operating procedures, including filling the water tank and activating steam.

- Ensure the mop pad is slightly damp or wet before starting for optimal steam distribution and cleaning.
- Move the steam mop slowly and steadily across the floor surface.
- For stubborn stains, hold the mop over the area for a few seconds to allow the steam to penetrate and loosen the dirt.
- The pads are effective on various hard floor surfaces.

Suitable for Any kind of Floor

5. MAINTENANCE

To ensure the longevity and effectiveness of your Mxnsewr Microfiber Steam Mop Pads, follow these maintenance guidelines:

- **Washing:** The pads are machine washable. Wash them with similar colors in cold water.
- **Detergent:** Use a mild detergent. Avoid bleach or fabric softeners, as these can damage the microfiber and reduce its cleaning efficiency.
- **Drying:** Tumble dry on low heat or air dry. Do not iron.
- **Storage:** Store clean, dry pads in a cool, dry place.
- **Replacement:** Replace pads when they show signs of wear, reduced absorbency, or cleaning performance.

6. TROUBLESHOOTING

If you encounter any issues with your mop pads, consider the following:

- **Pad not sticking:** Ensure the Velcro on both the pad and the mop head is clean and free of debris. Over time, Velcro can wear out; consider replacing the pad if this is the case.
- **Reduced cleaning performance:** The pad may be saturated with dirt or worn out. Replace with a fresh pad or wash the current one.
- **Streaking:** Ensure the pad is clean and not overly saturated. Refer to your steam mop's manual for proper water usage.
