AutoFull C3 (AF083)

AutoFull C3 Gaming Chair Instruction Manual

Model: C3 (AF083)

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the AutoFull C3 Gaming Chair. This manual provides detailed instructions for assembly, operation, and maintenance to ensure you get the most out of your ergonomic gaming and office experience. The AutoFull C3 is designed with a racing style, featuring ergonomic lumbar support, adjustable components, and a retractable footrest for enhanced comfort during long periods of use.

2. SETUP AND ASSEMBLY

The AutoFull C3 Gaming Chair requires assembly. Please follow the instructions carefully. It is recommended to assemble the chair on a soft surface to prevent damage to the floor or chair components. All necessary tools are included.

2.1 Unpacking Components

Carefully remove all components from the packaging. Verify that all parts are present according to the packing list.

Head-to-Toe Ergonomic Support

24H
CONFORT

Headrest
cervical spine support

Lumbar Support
support the waist curve

Thick Cushion
support the hips

Figure 2: All chair components unpacked and ready for assembly.

2.2 Base Assembly

Attach the five caster wheels to the chair base. Insert the gas lift cylinder into the center hole of the base.

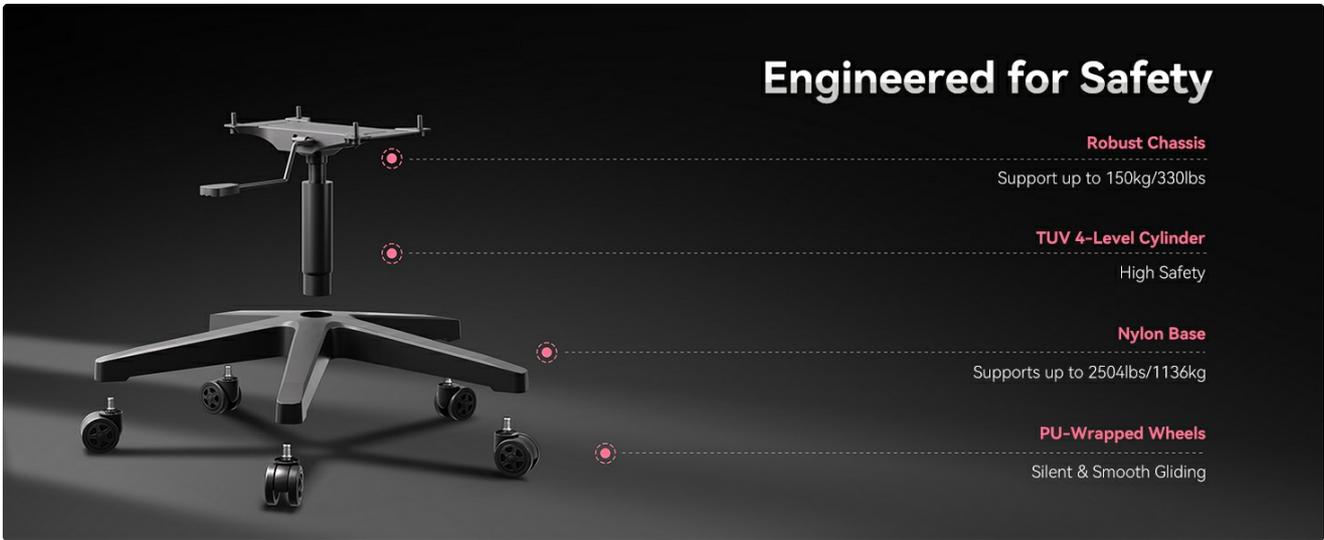

Figure 3: Assembly of the chair's five-star base with casters and gas lift.

2.3 Seat and Backrest Attachment

Secure the seat mechanism to the underside of the seat cushion using the provided screws. Attach the backrest to the seat assembly using the side brackets and screws. Ensure all connections are tight and secure.

Figure 4: Attaching the seat mechanism and backrest to the seat cushion.

2.4 Armrest and Footrest Installation

Install the adjustable armrests to the sides of the seat. Slide the retractable footrest into its designated slots beneath the seat.

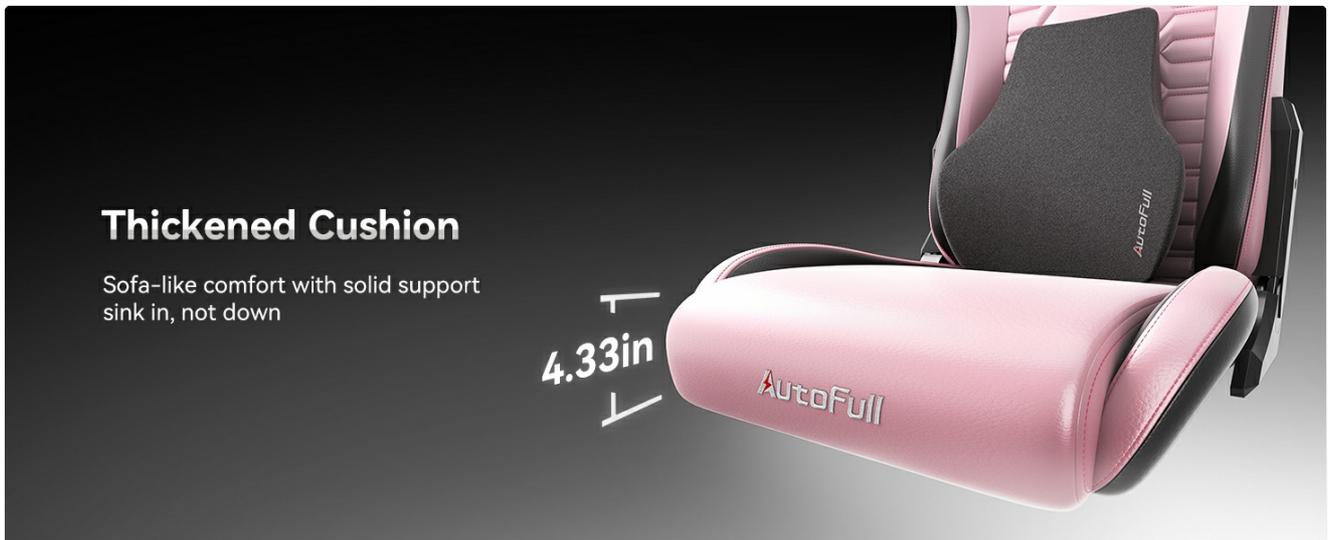

Figure 5: Installing the armrests and retractable footrest.

2.5 Final Assembly

Place the assembled seat and backrest onto the gas lift cylinder. Attach the headrest and lumbar support pillows as desired.

3. OPERATING INSTRUCTIONS

3.1 Chair Adjustments

- **Height Adjustment:** Use the lever located under the seat on the right side to raise or lower the chair to your desired height.
- **Backrest Recline:** The backrest can be tilted freely between 90° and 155°. Use the recline lever on the right side of the chair to adjust the angle. This allows for various positions, from upright gaming to a relaxed recline.

Flexibility for Any Scene

90°-155° Recline

3.2 Key Features

- **Ergonomic Design:** Designed based on the natural curve of the human spine, with high-density memory foam for balanced softness and support.
- **Enhanced Stability:** Features a unified all-steel frame, reinforced with straps, and filled with high-density foam. Includes an SGS level 4 certified gas cylinder and explosion-proof chassis for safety.
- **Comfortable Seating:** The seat is made of high-elastic polyurethane sponge with a 4.33-inch thickness, providing a sofa-like sitting experience that distributes body pressure evenly.
- **Durable Material:** Constructed with wear-resistant PU leather and carbon fiber texture for long-lasting durability and easy cleaning.

4. MAINTENANCE

To maintain the quality and longevity of your AutoFull C3 Gaming Chair, wipe it clean with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners that may damage the PU leather.

5. TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the assembly instructions to ensure all parts are correctly installed and tightened. For persistent problems, contact AutoFull customer support.
