6. MAINTENANCE

Proper care will ensure the longevity of your wardrobe:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.

- **Scratches:** While scratch-resistant, avoid dragging sharp objects across the surface to maintain its appearance.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Ventilation:** Ensure adequate air circulation around the wardrobe to prevent moisture buildup, especially if storing clothes for long periods.
