VASAGLE ULRC051K02

VASAGLE ULRC051K02 4-Tier Slide-Out Storage Cart Instruction Manual

Model: ULRC051K02 | Brand: VASAGLE

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your VASAGLE 4-Tier Slide-Out Storage Cart (Model ULRC051K02). Please read this manual thoroughly before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

SAFETY INFORMATION

- Do not exceed the weight capacity of 22 lb (10 kg) per tier. Overloading may cause instability or damage.
- Do not place the storage cart in a damp environment. Prolonged exposure to moisture can damage the particleboard and MDF components.
- Ensure all parts are properly secured before use. Regularly check connections for tightness.
- Do not allow children to play on, with, or around the cart. This product is not a toy.
- Avoid placing hot items directly on the wooden top surface to prevent damage.

PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly:

- 1 x Kitchen Cart Frame
- 1 x Assembly Kit (includes screws, dowels, and other fasteners)
- 1 x Instructions Manual (this document)

SETUP AND ASSEMBLY

Follow these steps to assemble your VASAGLE 4-Tier Slide-Out Storage Cart. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Prepare the Base:** Connect the base panels (A, B, C, D) using the provided dowels and connectors. Ensure they are securely fastened.
2. **Attach Side Supports:** Insert the vertical side supports (H, I) into the designated holes on the base. Secure them with the appropriate screws using the provided tool.
3. **Install Wheels:** Attach the four wheels (10) to the bottom of the cart. Ensure they are firmly screwed in for smooth mobility.
4. **Place Top Panel:** Position the wooden top panel (E) onto the upper frame of the cart. Secure it using the designated fasteners.
5. **Install Handle:** Attach the handle (J) to the side of the top panel using the provided screws.
6. **Insert Shelves:** Place the adjustable shelves (G) into the desired positions. The shelves are secured with clips for stable storage. Adjust the height as needed by moving the shelf clips to different holes.

OPERATING INSTRUCTIONS

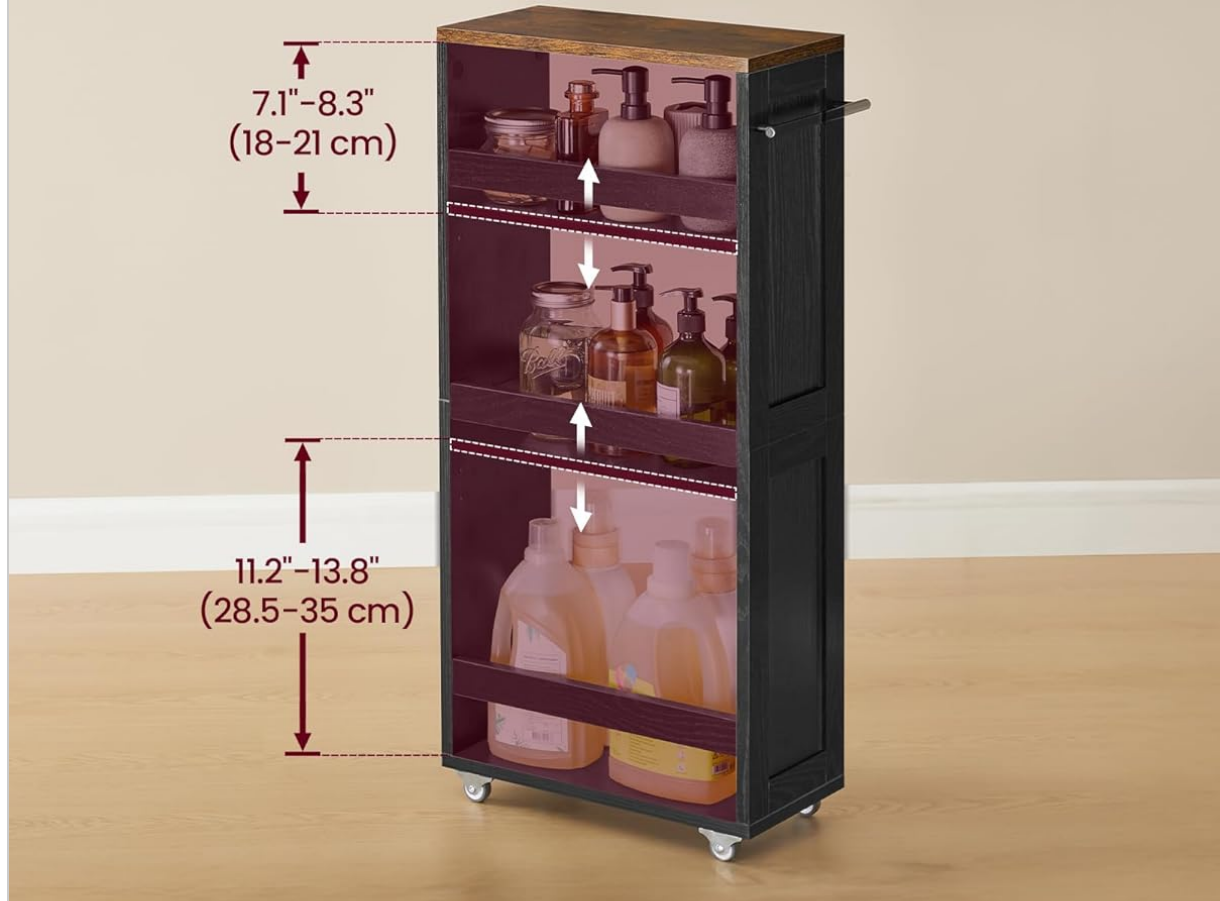

The VASAGLE 4-Tier Slide-Out Storage Cart is designed for versatile storage in various small spaces.

- **Adjustable Shelves:** The spacing of the two upper tiers can be adjusted between 7.1" and 8.3" (18-21 cm), and the two lower tiers between 11.2" and 13.8" (28.5-35 cm). This allows for customized storage of items of different heights, such as detergent bottles or tall kitchen utensils.
- **Effortless Mobility:** Utilize the integrated handle and four smooth-gliding wheels to easily move the cart in and out of tight spaces. The wheels are designed for quiet and effortless maneuvering across various floor types, including carpets.

- **Secure Storage:** Side barriers on each tier prevent items from falling off during movement or when accessing the cart.

MAINTENANCE

Proper maintenance will extend the life and appearance of your storage cart.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. The gaps between the side barriers allow for easy cleaning.
- **Environment:** Do not place the cart in excessively damp or humid environments to prevent material degradation.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your storage cart, refer to the following common solutions:

- **Cart is Unstable/Wobbly:** Ensure all screws are fully tightened. Verify that the cart is placed on a flat, even surface. If the wheels are lockable, ensure they are unlocked for movement and locked for stationary use.
- **Difficulty Rolling:** Check for any obstructions around the wheels. Ensure the wheels are clean and free of debris. If the wheels are lockable, ensure they are in the unlocked position.
- **Items Falling Off Shelves:** Ensure items are placed within the confines of the shelves and do not exceed the height of the side barriers. Do not overload shelves beyond the 22 lb (10 kg) capacity.
- **Assembly Difficulties:** Review the assembly video and instructions carefully. Ensure all parts are correctly oriented before tightening screws. Do not force components together.

SPECIFICATIONS

Feature	Detail
Product Dimensions	7.9"D x 17"W x 34.1"H (20 x 43.2 x 86.5 cm)
Material	Particleboard, MDF (Medium Density Fiberboard), Steel
Brand	VASAGLE
